LEGISLATIVE COUNSEL'S DIGEST

SB 863, as amended, Committee on Budget and Fiscal Review. Public Safety.

Existing law establishes the Department of Finance with general powers of supervision over all matters concerning the financial and business policies of the state. Existing law authorizes the Department

of Corrections and Rehabilitation, a participating county, as defined, and the State Public Works Board to enter into a construction agreement in order to acquire, design, and construct a local jail facility, as specified, using the proceeds of revenue bonds, notes, or bond anticipation notes issued by the State Public Works Board for that purpose.

This bill would require the Department of Finance, in consultation with the County of Los Angeles, to identify options for ways the state may assist in addressing the mental health and health infrastructure needs of the County of Los Angeles jail system and report its findings to the Joint Legislative Budget Committee on or before January 15, 2015.

Existing law authorizes the Board of State and Community Corrections, the State Public Works Board, and a participating county, as defined, to acquire, design, and construct an adult local criminal justice facility approved by the Board of State and Community Corrections, or to acquire a site or sites owned by, or subject to a lease option to purchase held by, a participating county. Existing law authorizes the State Public Works Board to issue up to \$500,000,000 in revenue bonds, notes, or bond anticipation notes to finance the acquisition, design, and construction of approved adult local criminal justice facilities. The funds derived from those revenue bonds, notes, or bond anticipation notes are continuously appropriated for those purposes.

Existing law establishes the Department of Corrections and Rehabilitation to oversee the state prison system. Existing law authorizes the Department of Corrections and Rehabilitation to design, construct, or renovate housing units, support buildings, and programming space in order to add capacity to facilities under its jurisdiction.

This bill would enact provisions similar to the provisions described above authorizing the Board of State and Community Corrections or the department, the State Public Works Board, and a participating county, as defined, to acquire, design, and construct an adult local criminal justice facility, as defined. The bill would authorize the State Public Works Board to issue up to \$500,000,000 in revenue bonds, notes, or bond anticipation notes to finance the acquisition, design, and construction of approved adult local criminal justice facilities, and would continuously appropriate the funds for those purposes. The bill would establish procedures for approving and funding these projects.

Existing law establishes the California Health and Human Services Agency, which consists of specified departments and entities including,

among others, the State Department of Health Care Services, the State Department of Social Services, and the Office of Patient Advocate.

This bill would establish the Office of Law Enforcement Support within the agency.

Existing law provides that certain persons are peace officers whose authority extends to any place in the state for the purpose of performing their primary duty or when making an arrest, as specified. These specified peace officers are not authorized to carry firearms, except as provided. Existing law classifies certain police officers, sheriff deputies, and firefighters who have responsibility for the direct supervision of state peace officer/firefighter personnel as state peace officer/firefighter members under the Public Employees' Retirement System (PERS). Employees classified as safety members under PERS, including state peace officer/firefighter members, are generally entitled to higher benefits and subject to higher contribution rates than employees classified as miscellaneous or general members. Member contributions to PERS are deposited in the Public Employees' Retirement Fund, a continuously appropriated fund.

This bill would provide that the Chief, Deputy Chief, supervising investigators, and investigators of the Office of Protective Services of the State Department of State Hospitals and the Office of Investigations and Law Enforcement Support of the California Health and Human Services Agency are peace officers for purposes of the provision described above. The bill would make an appropriation by increasing the amount of employee contributions to the Public Employees' Retirement Fund.

Existing law authorizes the Board of State and Community Corrections (BSCC), a participating county, as defined, and the State Public Works Board to acquire, design, and construct an adult local criminal justice facility, as specified, and requires them to enter into an agreement for each facility that provides related performance expectations of the parties, guidelines and criteria for the use and application of the financing instruments used to pay for the facility, and ongoing maintenance and staffing responsibilities for the term of the financing. Existing law also authorizes the State Public Works Board and the BSCC to borrow funds from the Pooled Money Investment Account or from another appropriate source for project costs of an adult local criminal justice facility. Existing law authorizes the BSCC and a participating county, with the consent of the State Public Works Board,

to enter into leases, contracts, or other agreements for property use, maintenance, or operation of an adult local criminal justice facility.

This bill would also authorize the California Department of Corrections and Rehabilitation to participate in the financing program with participating counties and the State Public Works Board for the acquisition, design, and construction of adult local criminal justice facilities, to enter into the required agreements, to borrow funds, and to enter into leases, contracts, or other agreements for these purposes, as specified.

Existing law requires the establishment of a Supplemental Law Enforcement Services Account in each county to be allocated for jail construction, criminal prosecution, law enforcement grants, and for the implementation of a comprehensive multiagency juvenile justice plan. Existing law requires that moneys allocated from a Supplemental Law Enforcement Service Account to a recipient entity be used to supplement existing services and not to supplant any existing funding.

This bill would instead prohibit local agencies from using these moneys to supplant other funding for Public Safety Services, as defined.

Existing law requires specified funds to be allocated to county sheriff's departments from funds remaining in the Enhancing Law Enforcement Activities Subaccount in the Local Revenue Fund 2011, as specified. Existing law requires that funds allocated pursuant to these provisions be used to supplement rather than supplant existing law enforcement resources.

This bill would instead prohibit funds allocated pursuant to these provisions from being used by local agencies to supplant other funding for Public Safety Services, as defined.

Under existing law, the State Department of Public Health licenses and regulates health facilities, including general acute care hospitals and correctional treatment centers, including those operated by the Department of Corrections and Rehabilitation and those located on prison grounds.

This bill would require the State Department of Public Health, upon application of the Department of Corrections and Rehabilitation, to change the license category of a general acute care hospital licensed to the Department of Corrections and Rehabilitation, or any health facility located on prison grounds, to a correctional treatment center license.

Existing law, the Superior Court Security Act of 2012, generally requires the sheriff to be responsible for court security services pursuant

to a memorandum of understanding entered into with the superior court of the relevant county.

This bill would state the intent of the Legislature to establish a process and funding mechanism for sheriffs that overall incur increased trial court security costs as a result of court construction projects that had an occupancy date on or after October 9, 2011. The bill would allow counties that demonstrate increased trial court security costs to request funding from the Department of Finance. The bill would require this funding to be funded by the General Fund, subject to an annual appropriation by the Legislature.

Existing law sets forth various findings and declarations of the Legislature relating to crime, including the Legislature's reaffirmation of its commitment to reducing recidivism among criminal offenders and a declaration that California must reinvest its criminal justice resources to support community-based corrections programs and evidence-based practices that will achieve improved public safety returns on the state's substantial investment in its criminal justice system, as specified.

This bill would set forth legislative findings and declarations that strategies supporting reentering offenders through practices and programs have been demonstrated to significantly reduce recidivism among offenders in other states, that improving outcomes among offenders reentering the community after serving time in a correctional facility will promote public safety and reduce California's prison and jail populations, and that establishing a California reentry program that encompasses strategies known to reduce recidivism warrants a vigorous short-term startup in the 2014–15 fiscal year using readily available resources in the community, as specified.

Existing law establishes the Department of Corrections and Rehabilitation to oversee the state prison system. Existing law establishes the Administrative Office of the Courts, which has various responsibilities and authority over state court matters granted by law and delegated by the Judicial Council. Existing law, as added by Proposition 8, adopted June 8, 1982, and amended by Proposition 21, adopted March 7, 2000, among other things, defines a serious felony. Existing law, as amended by Proposition 36, adopted November 6, 2012, commonly known as the Three Strikes Law, requires increased penalties for certain recidivist offenders in addition to any other enhancement or penalty that may apply, including individuals with current and prior convictions of a serious felony, as specified.

This bill would, subject to the availability of funding for and space in the programs and services, authorize the department to provide programs and services, including, but not limited to, transitional housing, mental health, and substance abuse treatment to an offender who is released pursuant to the provisions of Proposition 36, and who is not subject to parole or postrelease community supervision. The bill would require the department, in consultation with the Administrative Office of the Courts, to establish a referral process for those offenders to participate in or receive the types of programs and services described above that the department has existing contracts to provide. The bill would also require the Administrative Office of the Courts to inform courts of the availability of those programs and services.

Existing law designates various persons and peace officers, including officers of a state hospital under the jurisdiction of the State Department of State Hospitals or the State Department of Developmental Services.

This bill would require, by July 1, 2015, the California Health and Human Services Agency to develop training protocols and policies and procedures for peace officers of a state hospital under the jurisdiction of the State Department of State Hospitals or the State Department of Developmental Services. The bill, when appropriate, would require the training protocols and policies and procedures to be uniformly implemented in both state hospitals and developmental centers, and would require additional training protocols and policies and procedures shall be developed to address the unique characteristics of the residents in each type of facility. The bill would require the agency, in consultation with system stakeholders, to develop recommendations to further improve the quality and stability of law enforcement and investigative functions at both developmental centers and state hospitals in a meaningful and sustainable manner and to submit those recommendations to the budget committees and relevant policy committees of both houses of the Legislature no later than January 10, 2015.

Existing law authorizes a court, when sentencing a person to county jail for a felony, to commit the person to county jail for either the full term in custody, as specified, or to suspend the execution of a concluding portion of the term selected at the court's discretion. Under existing law, this period of suspended execution is supervised by the county probation officer and is known as mandatory supervision.

This bill would require, unless the court finds, in the interests of justice, that it is not appropriate in a particular case, that a period of the

concluding portion of a county jail term be served on mandatory supervision. The bill would make this change applicable prospectively to a person sentenced on or after January 1, 2015. The bill would require the Judicial Council to adopt rules of court to implement these provisions and related provisions of existing law no later than January 1, 2015. By increasing the duties of probation officers, the bill would impose a state-mandated local program.

Existing law authorizes the Secretary of the Department of Corrections and Rehabilitation to offer a program under which eligible female inmates who have been committed to state prison may be allowed to participate in a voluntary alternative custody program in lieu of confinement in state prison. Existing law defines that alternative custody program to include confinement to a residential home, a residential drug or treatment program, or a transitional care facility that offers appropriate services. Existing law authorizes the department to enter into contracts with county agencies, not-for-profit organizations, for-profit organizations, and others in order to promote alternative custody placements. Existing law requires the department to use electronic monitoring, global positioning system devices, or other supervising devices for the purpose of helping to verify a participant's compliance with the rules and regulations of the program.

This bill would authorize a sheriff or a county director of corrections to implement a similar voluntary alternative custody program for male and female inmates who have been committed to a county jail for a determinate term of imprisonment for a felony or for a misdemeanor, except that the bill would define an alternative custody program operated by a sheriff or a county director of corrections to additionally include confinement to a mental health clinic or hospital that offers appropriate mental health services, and would authorize, but not require, the sheriff or the county director of corrections to use electronic monitoring, global positioning system devices, or other supervising devices. The bill would provide that the willful failure of the program participant to return to the place of detention prior to the expiration of any period of time during which he or she is authorized to be away from the place of detention, unauthorized departures from the place of detention, or tampering with or disabling, or attempting to tamper with or disable, an electronic monitoring device is punishable under a specified statute.

By creating a new crime, this bill would impose a state-mandated local program.

Existing law establishes the Board of State and Community Corrections to collect and maintain available information and data about state and community correctional policies, practices, capacities, and needs, as specified. Existing law establishes the Recidivism Reduction Fund, to be used, upon appropriation by the Legislature, for activities designed to reduce the state's prison population, including, but not limited to, reducing recidivism.

Existing law, the California Community Corrections Performance Incentives Act of 2009, authorizes each county to establish a Community Corrections Performance Incentives Fund, and authorizes the state to annually allocate moneys into the State Community Corrections Performance Incentives Fund, a continuously appropriated fund, to be used for specified purposes related to improving local probation supervision practices and capacities. Under existing law, if a county establishes a Community Corrections Performance Incentives Fund, the county is required to establish a local Community Corrections Partnership, as specified.

This bill would require a county board of supervisors, upon agreement to accept funding from the Recidivism Reduction Fund and in collaboration with the county's Community Corrections Partnership, to develop, administer, and collect and submit data to the Board of State and Community Corrections regarding a competitive grant program intended to fund community recidivism and crime reduction services, as specified. The bill would require the county board of supervisors to grant the funds allocated to the county under these provisions to community recidivism and crime reduction service providers based on the needs of their community. The bill would specify the grant amounts for which the counties and individual service providers would be eligible and would limit the total amount of grants awarded to a single community recidivism and crime reduction service provider by all counties pursuant to these provisions to \$100,000. The bill would authorize up to 5% of the grant to be withheld by the county to pay administrative costs. The bill would require funds allocated to a county that are not expended within 4 years to revert to the state General Fund and would require funds not encumbered with a community recidivism and crime reduction service provider within one year after the allocation of grant funding to revert to the state General Fund.

Existing law provides for a probation failure reduction incentive payment for each eligible county, and establishes 3 tiers for evaluating counties for purposes of calculating that payment. Existing law also

provides high performance grants to county probation departments for purposes of bolstering practices to reduce recidivism. Existing law provides for these incentive payments and grants to be paid from the State Community Corrections Performance Incentives Fund, as specified.

Existing law appropriates \$1,000,000 from the State Community Corrections Performance Incentives Fund to the judicial branch for the costs of implementing and administering those probation failure reduction incentive payments and high performance grants, as specified. Under existing law, those funds are available for encumbrance and expenditure until June 30, 2014.

This bill would, commencing July 1, 2014, and each fiscal year thereafter, continuously appropriate \$1,000,000 from the State Community Corrections Performance Incentives Fund to the Administrative Office of the Courts for the costs of implementing and administering those probation failure reduction incentive payments and high performance grants, as specified.

Existing law allocates any moneys remaining in the State Community Corrections Performance Incentives Fund, after the calculation and award determination of each county's tier payments or high performance grant payments, to county probation departments, as specified. Specifically, existing law requires that the award amount for any county whose tier payment or high performance grant totals less than \$200,000 be increased to no more than \$200,000, as specified. Existing law also requires that the award amount for any county that has a probation failure rate that is below the statewide average be adjusted so that these counties receive no less than \$200,000, as specified.

Existing law requires that any funds remaining after the allocations described above be evenly distributed to those counties that did not receive a tier payment or a high performance grant payment, as specified.

This bill would instead require that these remaining funds, up to \$200,000 per county, be evenly distributed to those counties that did not receive a tier payment or a higher performance grant payment, as specified, and would provide for the further distribution of any funds that remain.

Existing law establishes the State Department of State Hospitals for the administration of state hospitals and provides for the involuntary confinement of certain individuals in those state hospitals, including defendants who have been found incompetent to stand trial and

defendants found to be guilty of a crime, or who have plead not guilty by reason of insanity, and found to be insane at the time he or she committed the crime. Existing law provides that the court shall order that the mentally incompetent defendant be delivered by the sheriff to a state hospital, or to any other available public or private treatment facility, including a local county jail treatment facility, approved by the community program director that will promote the defendant's speedy restoration to mental competence, or placed on outpatient status.

This bill would include the community-based residential treatment system, as described, as a public or private treatment facility to which the above provisions apply, if the facility has a secured perimeter or a locked and controlled treatment facility.

Existing law requires the court to select the state hospital in accordance with the policies established by the State Department of State Hospitals when directing that the defendant be confined in a state hospital. Under existing law, prior to admission to the Napa State Hospital or the Metropolitan State Hospital, the State Department of State Hospitals is required to evaluate each patient committed pursuant to specified provisions of law, and a patient determined to be a high-security risk is required to be treated in the department's most secure facilities, as provided. Existing law requires a court to provide copies of specified documents, including, among others, the commitment order, to be taken with the defendant to the state hospital when the court orders that a defendant be confined in a state hospital or other public or private treatment facility.

This bill would repeal the provision requiring the court to select the state hospital in accordance with the policies established by the State Department of State Hospitals when directing that the defendant be confined in a state hospital. The bill would instead require, prior to admission to the State Department of State Hospitals, the department to evaluate each patient committed pursuant to specified provisions of law to determine the placement of the patient to the appropriate state hospital. The bill would also require a court that orders that a defendant be committed to the State Department of State Hospitals or other public or private treatment facility to provide copies of any medical records with the documents described above prior to the admission of the defendant to the department or other treatment facility where the defendant is to be committed. The bill would require the department to utilize specified documents, including those described above and any

medical records, to make the appropriate placement. The bill would make conforming changes.

The bill would also require the State Department of State Hospitals to establish a Patient Management Unit (PMU) to facilitate patient movement across all facilities under the department's jurisdiction and any psychiatric programs operated by the department pursuant to a memorandum of understanding with the Department of Corrections and Rehabilitation. The PMU's responsibilities would include, among others, oversight and centralized management of patient admissions. The bill would authorize the State Department of State Hospitals to adopt regulations, as specified, concerning policies and procedures to be implemented by the PMU, including, among others, policies and procedures for patient referral to the department.

Existing law, in placing a mentally incompetent defendant, requires the community program director to evaluate the appropriate placement for the defendant between a state hospital or a local county jail treatment facility. If a local county jail treatment facility is selected, existing law requires the State Department of State Hospitals to provide treatment at the county jail treatment facility and to reimburse the county jail treatment facility for the reasonable costs of the bed during the treatment.

This bill would require the State Department of State Hospitals to provide reimbursement to the community-based residential treatment system if a mentally incompetent defendant is placed in that facility.

Existing law requires the Department of Corrections and Rehabilitation to expand substance abuse treatment services in prisons to accommodate at least 4,000 additional inmates who have histories of substance abuse, as specified.

This bill would generally require a substance abuse treatment program funded by the department and offered in a facility under the jurisdiction of the department pursuant to the provision described above to include a peer counseling component, as defined, allowing prisoners to receive the necessary training within those facilities to become certified addiction counselors, including necessary course work and clinical hours. The bill would require the department to notify in writing the Assembly and Senate Committees on Budget and the relevant Assembly and Senate policy committees at the time the determination is made if the department determines that a peer counseling component shall not be included as part of a substance abuse treatment program offered in a facility under the department's jurisdiction.

Existing law requires offenders convicted of certain felonies to be incarcerated in state prison. Existing law authorizes the Department of Corrections and Rehabilitation to contract for the establishment and operation of community correctional reentry centers to enhance the potential for successful paroles.

This bill would require the Secretary of the Department of Corrections and Rehabilitation to establish the Case Management Reentry Pilot Program for offenders, under the jurisdiction of the department, who have been sentenced to a term of imprisonment in state prison for purposes of assisting certain inmates in reentering society upon their release from prison. The bill would require the program to be established in at least 3 counties over a period of 3 years after enactment of the budget act of 2014, and would require case management social workers to assist offenders assigned to the program in managing basic needs, as specified. The program would provide specified case management services. The bill would require the department to contract for an evaluation of the program that will assess its effectiveness in reducing recidivism among offenders transitioning from prison into the community. The bill would require the department to submit a final report to the Legislature and the Governor of the findings from its evaluation of the program not later than 3 years after the establishment of the program. Implementation of the program would be contingent upon availability of funds, as specified.

Existing law requires a supervising parole agency to notify a person classified within the highest control or risk classification that he or she is required to report to his or her assigned parole officer or designated local agency within 2 days of release from prison to parole or postrelease community supervision. Existing law requires the supervising parole agency to report a parolee's failure to report within 24 hours.

Existing law requires that the department release an inmate who is subject to these provisions and was sentenced prior to June 27, 2012, one or 2 days before his or her scheduled release date if the inmate's release date falls on the day before a holiday or weekend. Existing law requires all other inmates to be released one or 2 days after their scheduled release date if the release date falls on the day before a holiday or weekend.

This bill would instead apply the one or 2-day early release requirement to an inmate who is subject to the above provisions and was sentenced prior to January 1, 1996.

Existing law establishes the Inmate Welfare Fund of the Department of Corrections and Rehabilitation in the State Treasury. Existing law provides that the moneys in the fund constitute a trust to be used for the benefit and welfare of inmates of prisons and institutions under the jurisdiction of the department. Existing law allows the funds to be used for the establishment of canteens, hobby shops, educational programs, hobby and recreational programs, inmate family visiting services, leisure-time activities, and assistance with obtaining photo identification from the Department of Motor Vehicles. Under existing law, moneys in the fund, as they relate to state prison camps, are continuously appropriated.

This bill would additionally authorize the use of fund moneys for innovative programming by not-for-profit organizations offering programs that have demonstrated success and focus on offender responsibility and restorative justice principles, thereby making an appropriation.

Existing law establishes the Board of State and Community Corrections to collect and maintain available information and data about state and community correctional policies, practices, capacities, and needs, as they relate to both adult corrections, juvenile justice, and gang problems. Existing law requires the board to seek to collect and make publicly available data and information reflecting the impact of state and community corrections, juvenile justice, and gang-related policies and practices enacted in the state, and information regarding evidence-based practices from other jurisdictions.

This bill would establish the California Juvenile Justice Data Working Group within the Board of State and Community Corrections, consisting of members comprised of representatives from, among others, the Department of Justice and the Judicial Council. The bill would require the working group to analyze the capacities and limitations of data systems and networks used to collect and report state and local juvenile justice caseload and outcome data. The bill would require the working group, no later than January 1, 2016, to prepare and submit a report to the Legislature on the options for improving interagency coordination, modernization, and upgrading of state and local juvenile justice data and information systems, as specified. The bill would also require the working group, no later than December 31, 2014, to recommend a plan for improving current juvenile justice reporting requirements.

This bill would also require the board to administer and award mentally ill offender crime reduction grants on a competitive basis to

counties that expand or establish a continuum of timely and effective responses to reduce crime and criminal justice costs related to mentally ill offenders and require those grant funds to be used to support prevention, intervention, supervision, and incarceration-based services and strategies to reduce recidivism and improve outcomes for mentally ill juvenile adults and offenders. The bill would require the board to establish minimum requirements, funding criteria, and procedures for awarding grants and would require counties applying for grant funding to comply with certain requirements, including a requirement that the county establish a strategy committee to design the grant application. The bill would require the board to develop an evaluation design for grants that assesses the effectiveness of the program and to annually report to the Legislature based on that evaluation design.

Existing law establishes the California Rehabilitation Oversight Board in the Office of the Inspector General to regularly examine and report to the Legislature and the Governor on the various mental health, substance abuse, educational, and employment programs for inmates and parolees operated by the Department of Corrections and Rehabilitation. Existing law requires the board to meet at least quarterly, and to report to the Governor and the Legislature biannually, on March 15 and September 15.

This bill would instead require the board to meet twice annually, and to report to the Governor and the Legislature annually, on September 15.

Existing law requires that a regulation adopted by the Department of Corrections and Rehabilitation that may impact the visitation of inmates recognize and consider the value of visiting as a means to improve the safety of prisons for both staff and inmates.

This bill would require the Department of Corrections and Rehabilitation to develop policies related to the department's contraband interdiction efforts for individuals entering detention facilities under the jurisdiction of the department. The bill would require that these policies, among other requirements, apply to all individuals, use methods to ensure that profiling is not practiced, and establish a method that ensures that no one, except as specified, has advance notice of when a random search is scheduled.

Existing law appropriates \$300,000,000 from the General Fund for capital outlay to be allocated to renovate, improve, or expand infrastructure capacity at existing prison facilities. Existing law authorizes the funds to be used for specified additional purposes,

including design and construction of improvements to dental facilities and medication distribution facilities at state prisons, as specified.

This bill would also authorize the use of these funds for the design and construction of projects in the Health Care Facility Improvement Program at state prison facilities, thereby making it an appropriation.

Existing law establishes in the State Treasury the Local Revenue Fund 2011, a continuously appropriated fund, and requires that moneys in the fund be allocated exclusively for public safety services, as defined. Existing law further establishes the Law Enforcement Services Account within that fund, and creates the Enhancing Law Enforcement Activities Subaccount within the Law Enforcement Services Account.

Existing law allocates moneys in the subaccount for county sheriffs' departments, and, among other things, various crime reduction programs, including the High Technology Theft Apprehension and Prosecution Program, among others.

This bill would revise the percentage of funds to be allocated for the High Technology Theft Apprehension and Prosecution Program from the Enhancing Law Enforcement Activities Subaccount.

Existing law establishes the Gang Violence Suppression Program in the Board of State and Community Corrections for financial and technical assistance to district attorneys' offices, local law enforcement agencies, county probation departments, school districts, county offices of education, and community-based organizations which are primarily engaged in the suppression of gang violence. Existing law prohibits funds made available pursuant to these provisions from being used to supplant local funds that would, in the absence of the Gang Violence Suppression Program, be made available to support the activities specified in these provisions establishing the program.

This bill would instead prohibit these funds from being used by local agencies to supplant other funding for Public Safety Services, as defined.

Existing law authorizes the Director of the California Conservation Corps, implementing the California Conservation Corps program, to recruit and employ corpsmembers and to adopt criteria for employment in the program.

This bill would instead authorize the director to recruit and enroll corpsmembers and to adopt criteria for selecting applicants for enrollment, including individuals convicted of a crime described in the California Uniform Controlled Substances Act. The director would be required, when adopting this criteria, to take specified factors into account.

Existing law establishes the Youthful Offender Block Grant Program to enhance the capacity of county departments to provide appropriate rehabilitative and supervision services to youthful offenders. Existing law requires the Director of Finance to annually determine the total amount of the block grant and the allocation for each county, and to report those findings to the Controller who then makes an allocation to each county from the Youthful Offender Block Grant Special Account. Under existing law, 50% of the allocation amount for each county is based on the number of the county's juvenile felony court dispositions, according to the most recent data compiled by the Department of Justice.

This bill would instead require, for purposes of determining this allocation amount, the Department of Justice to provide to the Department of Finance the number of juvenile felony court dispositions for each county for the previous calendar year by July 10 of each year.

Existing law requires the establishment of a Juvenile Reentry Fund in each county to receive all amounts allocated to that county probation department to address local program needs for persons discharged from the custody of the Division of Juvenile Facilities. Existing law prohibits these funds from being used to supplant any existing funding by local agencies for existing services provided by that entity.

This bill would instead prohibit these funds from being used by local agencies to supplant other funding for Public Safety Services, as defined.

Existing law establishes the Juvenile Reentry Grant to provide for the local supervision of persons discharged from the custody of the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. Existing law requires that 5.519% of the funds allocated to the Juvenile Justice Subaccount from the Local Revenue Fund 2011 be deposited to the Juvenile Reentry Grant Special Account to be used to fund grants for these purposes and requires the amount allocated to each county probation department from the Juvenile Reentry Grant Special Account be distributed pursuant to specified criteria.

This bill would require the Department of Finance to use this criteria to determine each county's allocation as a percentage of the funds deposited in the Juvenile Reentry Grant Special Account and would provide that actual allocations provided to counties pursuant to the criteria would vary under the bill based on the amount of funds deposited in the Juvenile Reentry Grant Special Account.

Existing law provides for state hospitals for the care, treatment, and education of mentally disordered persons, which are under the jurisdiction of the State Department of State Hospitals.

This bill would require the Secretary of California Health and Human Services to submit a report and recommendations to the fiscal and appropriate policy committees of the Legislature reviewing and evaluating best practices and strategies, including independent oversight, for effectively and sustainably addressing the employee discipline process, criminal and major incident investigations, and the use of force within state hospitals and psychiatric programs run by the State Department of State Hospitals. The bill would authorize the secretary to consult with the Department of the California Highway Patrol, the Department of Corrections and Rehabilitation, the Office of the Inspector General, and other resources in the development of the report and recommendations.

Existing law requires each county to provide cash assistance and other social services to needy families through the California Work Opportunity and Responsibility to Kids (CalWORKs) program using federal Temporary Assistance to Needy Families (TANF) block grant program, state, and county funds. Under existing law, an individual is ineligible for aid if the individual has been convicted in state or federal court after December 31, 1997, of any offense classified as a felony and that has as an element the possession, use, or distribution of a controlled substance.

This bill would, beginning April 1, 2015, authorize CalWORKs benefits to be paid to an individual who is convicted as an adult in state or federal court after December 31, 1997, of any offense classified as a felony that has as an element the possession, use, or distribution of a controlled substance, as defined. If the person is on probation or parole and is ineligible for aid due to violating a condition of probation or parole or fleeing to avoid prosecution or custody and confinement, he or she would be ineligible for CalWORKs benefits until he or she is no longer in violation of probation or parole or a fleeing felon.

Existing federal law provides for the federal Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh, formerly the Food Stamp Program, under which supplemental nutrition assistance benefits allocated to the state by the federal government are distributed to eligible individuals by each county. Under existing law, a person convicted of specified drug offenses, including transporting, selling, furnishing, administering, giving away, possessing for sale, purchasing for purpose of sale, or manufacturing a controlled substance, is ineligible to receive CalFresh benefits. Existing law authorizes the payment of CalFresh benefits to other convicted drug felons who have participated

in, or are on the waiting list for, a drug treatment program, or who can show other evidence that the illegal use of controlled substances has ceased.

This bill would, beginning April 1, 2015, authorize CalFresh benefits to be paid to an individual who is convicted as an adult in state or federal court after December 31, 1997, of any offense classified as a felony that has as an element the possession, use, or distribution of a controlled substance, as defined. If the person is on probation or parole and is ineligible for aid due to violating a condition of probation or fleeing to avoid prosecution or custody and confinement, he or she would be ineligible for CalFresh benefits until he or she is no longer in violation of probation or parole or a fleeing felon. By requiring local agencies to provide a higher level of service, this bill would impose a state-mandated local program.

Until January 1, 2016, the bill would, notwithstanding certain rulemaking provisions of the Administrative Procedure Act, authorize the department to implement and administer the provisions described above relating to CalWORKs and CalFresh by all-county letters or similar instructions. The bill would require those all-county letters or similar instructions to be developed in consultation with the Chief Probation Officers of California, the County Welfare Directors Association of California, and client advocates.

Existing law continuously appropriates moneys from the General Fund to defray a portion of county costs under the CalWORKs program.

By authorizing additional payments from a continuously appropriated fund, the bill would make an appropriation.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Vote: majority. Appropriation: yes. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1     SECTION 1. (a) The Legislature finds and declares all of the  
2 following:

3     (1) The state has provided counties with the opportunity to  
4 receive lease revenue bond financing to improve local correctional  
5 facilities.

6     (2) However, for the construction of certain county in-custody  
7 mental health treatment and rehabilitation facilities, where the state  
8 portion of construction would be minor, state lease revenue  
9 financing may not be an appropriate mechanism.

10    (3) As the largest local correctional and justice system in the  
11 nation, it is important to explore improvements to the county's  
12 efforts to improve mental health treatment and maximize the efforts  
13 to improve criminal justice outcomes and reduce recidivism.

14    (b) The Department of Finance, in consultation with the County  
15 of Los Angeles, shall identify options for ways the state may assist  
16 in addressing the mental health and health infrastructure needs of  
17 the County of Los Angeles jail system, and to report its findings  
18 to the Joint Legislative Budget Committee on or before January  
19 15, 2015.

20    SEC. 2. Section 12803 of the Government Code is amended  
21 to read:

22    12803. (a) The California Health and Human Services Agency  
23 consists of the following departments: Aging; Community Services  
24 and Development; Developmental Services; Health Care Services;  
25 Managed Health Care; Public Health; Rehabilitation; Social  
26 Services; and State Hospitals.

27    (b) The agency also includes the Emergency Medical Services  
28 Authority, the Managed Risk Medical Insurance Board, the Office  
29 of Health Information Integrity, the Office of Patient Advocate,  
30 the Office of Statewide Health Planning and Development, the  
31 Office of Systems Integration, the Office of Law Enforcement  
32 Support, and the State Council on Developmental Disabilities.

33    (c) The Department of Child Support Services is hereby created  
34 within the agency commencing January 1, 2000, and shall be the  
35 single organizational unit designated as the state's Title IV-D  
36 agency with the responsibility for administering the state plan and  
37 providing services relating to the establishment of paternity or the  
38 establishment, modification, or enforcement of child support

obligations as required by Section 654 of Title 42 of the United States Code. State plan functions shall be performed by other agencies as required by law, by delegation of the department, or by cooperative agreements.

SEC. 3. Section 15820.92 of the Government Code is amended to read:

15820.92. For purposes of this chapter, “participating county” means any county, or regional consortium of counties, within the state that has been certified to the State Public Works Board (the board) by the Board of State and Community Corrections (BSCC) as having satisfied all of the requirements set forth in Section 15820.925 for financing an adult local criminal justice facility pursuant to this chapter. For purposes of this chapter, an adult local criminal justice facility may include any custodial housing, reentry, program, mental health, or treatment space necessary to manage the adult offender population consistent with the legislative intent described in Sections 17.5 and 3450 of the Penal Code under the jurisdiction of the sheriff or county department of corrections, as may be applicable, to be further defined by the BSCC in duly adopted regulations.

(a) The BSCC or the California Department of Corrections and Rehabilitation (CDCR), a participating county, and the board are authorized to acquire, design, and construct an adult local criminal justice facility approved by the BSCC pursuant to Section 15820.925, or to acquire a site or sites owned by, or subject to a lease or option to purchase held by, a participating county. For the purposes of this chapter, acquisition shall include, but is not limited to, acquisition of completed facilities through a build-to-suit purchase. Facilities financed pursuant to this chapter may be delivered through either a design-bid-build or a design-build process. The ownership interest of a participating county in the site or sites for an adult local criminal justice facility shall be determined by the board to be adequate for purposes of its financing in order to be eligible under this chapter.

(b) Notwithstanding Section 14951, the participating county may assign an inspector during the construction of the adult local criminal justice facility.

(c) The BSCC or the CDCR, a participating county, and the board shall enter into an agreement for each adult local criminal justice facility that shall provide, at a minimum, performance

1 expectations of the parties related to the acquisition, design, and  
2 construction, including, without limitation, renovation, of the adult  
3 local criminal justice facility; guidelines and criteria for use and  
4 application of the proceeds of revenue bonds, notes, or bond  
5 anticipation notes issued by the board to pay for the cost of the  
6 approved adult local criminal justice facility; and ongoing  
7 maintenance and staffing responsibilities for the term of the  
8 financing.

9 (d) The agreement shall include a provision that the participating  
10 county agrees to indemnify, defend, and hold harmless the State  
11 of California for any and all claims and losses arising out of the  
12 acquisition, design, and construction of the adult local criminal  
13 justice facility. The agreement may also contain additional terms  
14 and conditions that facilitate the financing by the board.

15 (e) The scope and cost of the adult local criminal justice facilities  
16 shall be subject to approval and administrative oversight by the  
17 board.

18 (f) For purposes of compliance with the California  
19 Environmental Quality Act (Division 13 (commencing with Section  
20 21000) of the Public Resources Code), neither the board, nor the  
21 BSCC or the CDCR, shall be deemed a lead or responsible agency  
22 and the participating county shall be the lead agency.

23 SEC. 4. Section 15820.921 of the Government Code is amended  
24 to read:

25 15820.921. Upon a participating county's receipt of responsive  
26 construction bids or design-build proposals, or a participating  
27 county's notification to the board of its intent to exercise a purchase  
28 option, the board and the BSCC or the CDCR may borrow funds  
29 for project costs after the adult local criminal justice facility has  
30 been certified pursuant to Section 15820.92 from the Pooled Money  
31 Investment Account pursuant to Sections 16312 and 16313, or  
32 from any other appropriate source. In the event any of the revenue  
33 bonds, notes, or bond anticipation notes authorized by this chapter  
34 are not sold, the BSCC or the CDCR shall commit a sufficient  
35 amount of its support appropriation to repay any loans made for  
36 an approved adult local criminal justice facility.

37 SEC. 5. Section 15820.924 of the Government Code is amended  
38 to read:

39 15820.924. With the consent of the board, the BSCC or the  
40 CDCR and a participating county are authorized to enter into leases

1 or subleases, as lessor or lessee, for any property or approved adult  
2 local criminal justice facility and are further authorized to enter  
3 into contracts or other agreements for the use, maintenance, and  
4 operation of the adult local criminal justice facility in order to  
5 facilitate the financing authorized by this chapter. In those leases,  
6 subleases, or other agreements, the participating county shall agree  
7 to indemnify, defend and hold harmless the State of California for  
8 any and all claims and losses accruing and resulting from or arising  
9 out of the participating county's use and occupancy of the adult  
10 local criminal justice facility.

11 SEC. 6. Chapter 3.131 (commencing with Section 15820.93)  
12 is added to Part 10b of Division 3 of Title 2 of the Government  
13 Code, to read:

14  
15 CHAPTER 3.131. FINANCING OF LOCAL CRIMINAL JUSTICE  
16 FACILITIES  
17

18 15820.93. (a) For purposes of this chapter, "participating  
19 county" means a county, city and county, or regional consortium  
20 of counties, within the state that has been certified to the State  
21 Public Works Board (board) by the Board of State and Community  
22 Corrections (BSCC) as having satisfied all of the requirements set  
23 forth in Section 15820.935 for financing an adult local criminal  
24 justice facility pursuant to this chapter.

25 (b) (1) For purposes of this chapter, an adult local criminal  
26 justice facility may include improved housing with an emphasis  
27 on expanding program and treatment space as necessary to manage  
28 the adult offender population consistent with the legislative intent  
29 described in Sections 17.5 and 3450 of the Penal Code under the  
30 jurisdiction of the sheriff or county department of corrections, as  
31 may be applicable, to be further defined by the BSCC in duly  
32 adopted regulations.

33 (2) For purposes of this chapter, an adult local criminal justice  
34 facility may also include custodial housing, reentry, program,  
35 mental health, or treatment space necessary to manage the adult  
36 offender population, consistent with the legislative intent described  
37 in Sections 17.5 and 3450 of the Penal Code, under the jurisdiction  
38 of the sheriff or county department of corrections, as may be  
39 applicable, to be further defined by the BSCC in duly adopted  
40 regulations.

1 15820.930. (a) The BSCC or the Department of Corrections  
2 and Rehabilitation (CDCR), a participating county, and the board  
3 are authorized to acquire, design, and construct an adult local  
4 criminal justice facility approved by the BSCC pursuant to Section  
5 15820.935, or to acquire a site or sites owned by, or subject to a  
6 lease or option to purchase held by, a participating county. For the  
7 purposes of this chapter, acquisition shall include, but is not limited  
8 to, acquisition of completed facilities through a build-to-suit  
9 purchase. Facilities financed pursuant to this chapter may be  
10 delivered through either a design-bid-build or a design-build  
11 process. The ownership interest of a participating county in the  
12 site or sites for an adult local criminal justice facility shall be  
13 determined by the board to be adequate for purposes of its  
14 financing in order to be eligible under this chapter.

15 (b) Notwithstanding Section 14951, the participating county  
16 may assign an inspector during the construction of the adult local  
17 criminal justice facility.

18 (c) The BSCC or the CDCR, a participating county, and the  
19 board shall enter into an agreement for each adult local criminal  
20 justice facility that shall provide, at a minimum, performance  
21 expectations of the parties related to the acquisition, design, and  
22 construction, including, without limitation, renovation, of the adult  
23 local criminal justice facility; guidelines and criteria for use and  
24 application of the proceeds of revenue bonds, notes, or bond  
25 anticipation notes issued by the board to pay for the cost of the  
26 approved adult local criminal justice facility; and ongoing  
27 maintenance and staffing responsibilities for the term of the  
28 financing.

29 (d) The agreement shall include a provision that the participating  
30 county agrees to indemnify, defend, and hold harmless the State  
31 of California for any and all claims and losses arising out of the  
32 acquisition, design, and construction of the adult local criminal  
33 justice facility. The agreement may also contain additional terms  
34 and conditions that facilitate the financing by the board.

35 (e) The scope and cost of the adult local criminal justice facilities  
36 shall be subject to approval and administrative oversight by the  
37 board.

38 (f) For purposes of compliance with the California  
39 Environmental Quality Act (Division 13 (commencing with Section  
40 21000) of the Public Resources Code), neither the board nor the

1 BSCC or the CDCR shall be deemed a lead or responsible agency  
2 and the participating county shall be the lead agency.

3 15820.931. Upon a participating county's receipt of responsive  
4 construction bids or design-build proposals, or a participating  
5 county's notification to the board of its intent to exercise a purchase  
6 option, and after the adult local criminal justice facility has been  
7 certified pursuant to Section 15820.93, the board and the BSCC  
8 or the CDCR may borrow funds for project costs from the Pooled  
9 Money Investment Account pursuant to Sections 16312 and 16313,  
10 or from any other appropriate source. In the event any of the  
11 revenue bonds, notes, or bond anticipation notes authorized by  
12 this chapter are not sold, the BSCC or the CDCR shall commit a  
13 sufficient amount of its support appropriation to repay any loans  
14 made for an approved adult local criminal justice facility.

15 15820.932. (a) The board may issue up to five hundred million  
16 dollars (\$500,000,000) in revenue bonds, notes, or bond  
17 anticipation notes, pursuant to Chapter 5 (commencing with Section  
18 15830) to finance the acquisition, design, and construction,  
19 including, without limitation, renovation, and a reasonable  
20 construction reserve, of approved adult local criminal justice  
21 facilities described in Section 15820.930, and any additional  
22 amount authorized under Section 15849.6 to pay for the cost of  
23 financing.

24 (b) Proceeds from the revenue bonds, notes, or bond anticipation  
25 notes may be used to reimburse a participating county for the costs  
26 of acquisition, design, and construction, including, without  
27 limitation, renovation, for approved adult local criminal justice  
28 facilities.

29 (c) Notwithstanding Section 13340, funds derived pursuant to  
30 this section and Section 15820.931 are continuously appropriated  
31 for purposes of this chapter.

32 15820.933. In support of this state financing, the Legislature  
33 finds and declares all of the following:

34 (a) California's current challenges in managing jail populations  
35 follow decades of overcrowded and aging jails, and piecemeal,  
36 erratic, and incomplete responses to dealing with these problems.  
37 Reversing course will require sustainable solutions that must  
38 include sound planning and implementation, and must be grounded  
39 in the principle that jail resources must be well-planned and  
40 employed efficiently and effectively to prevent overcrowding and

1 promote public safety through the broader use of evidence-based  
2 practices and policies in the criminal justice system.

3 (b) California needs a long-term, statewide strategy to effectively  
4 manage its jail population and jail resources. Without an ongoing  
5 analytical framework for taking into account factors such as  
6 population growth, criminogenic needs of the current and future  
7 jail populations, crime rates, custodial housing needs, and  
8 additional changes to realignment or sentencing laws and practices,  
9 California will continue to resort to reactive, fragmentary fixes to  
10 its jail condition and capacity problems instead of being fully  
11 prepared to develop an effective and sustainable system of local  
12 custodial facilities.

13 (c) The county adult criminal justice system needs improved  
14 housing with an emphasis on expanding program and treatment  
15 space to manage the adult offender population under its jurisdiction.

16 (d) Improved county adult criminal justice housing with an  
17 emphasis on expanding program and treatment space will enhance  
18 public safety throughout the state by providing increased access  
19 to appropriate programs or treatment.

20 (e) By improving county adult criminal justice housing with an  
21 emphasis on expanding program and treatment space, this financing  
22 will serve a critical state purpose by promoting public safety.

23 (f) This purpose represents valuable consideration in exchange  
24 for this state action.

25 15820.934. With the consent of the board, the BSCC or the  
26 CDCR and a participating county are authorized to enter into leases  
27 or subleases, as lessor or lessee, for any property or approved adult  
28 local criminal justice facility and are further authorized to enter  
29 into contracts or other agreements for the use, maintenance, and  
30 operation of the adult local criminal justice facility in order to  
31 facilitate the financing authorized by this chapter. In those leases,  
32 subleases, or other agreements, the participating county shall agree  
33 to indemnify, defend, and hold harmless the State of California  
34 for any and all claims and losses accruing and resulting from or  
35 arising out of the participating county's use and occupancy of the  
36 adult local criminal justice facility.

37 15820.935. (a) The BSCC shall adhere to its duly adopted  
38 regulations for the approval or disapproval of adult local criminal  
39 justice facilities. The BSCC shall also consider cost-effectiveness  
40 in determining approval or disapproval. No state moneys shall be

1 encumbered in contracts let by a participating county until one of  
2 the following occur:

3 (1) Final architectural plans and specifications have been  
4 approved by the BSCC, and subsequent construction bids have  
5 been received.

6 (2) Documents prepared by a participating county pursuant to  
7 paragraph (1) of subdivision (d) of Section 20133 of the Public  
8 Contract Code have been approved by the BSCC, and subsequent  
9 design-build proposals have been received pursuant to that section.

10 (3) The participating county has notified the board of its intent  
11 to exercise an option to purchase the completed facility pursuant  
12 to Section 15820.931.

13 (b) The review and approval of plans, specifications, or other  
14 documents by the BSCC are for the purpose of ensuring the proper  
15 administration of moneys and the determination of whether the  
16 adult local criminal justice facility specifications comply with law  
17 and regulation. The BSCC may require changes in construction  
18 materials to enhance safety and security if materials proposed at  
19 the time of final plans and specifications are not essential and  
20 customary as used statewide for facilities of the same security  
21 level. Participating counties are responsible for the acquisition,  
22 design, construction, staffing, operation, repair, and maintenance  
23 of the adult local criminal justice facility.

24 (c) The BSCC shall establish minimum standards, funding  
25 schedules, and procedures, which shall take into consideration,  
26 but not be limited to, the following:

27 (1) Certification by a participating county of control of the adult  
28 local criminal justice facility site through either fee simple  
29 ownership of the site or comparable long-term possession of the  
30 site, and right of access to the adult local criminal justice facility  
31 sufficient to ensure undisturbed use and possession.

32 (2) Documentation of the need for improved adult local criminal  
33 justice facility housing with an emphasis on expanded program  
34 and treatment space.

35 (3) A written adult local criminal justice facility proposal.

36 (4) Submission of a staffing plan for the adult local criminal  
37 justice facility, including operational cost projections and  
38 documentation that the adult local criminal justice facility will be  
39 able to be safely staffed and operated within 90 days of completion,  
40 as may be applicable.

1 (5) Submission of architectural drawings, which shall be  
2 approved by the BSCC for compliance with minimum adult  
3 detention facility standards and which shall also be approved by  
4 the State Fire Marshal for compliance with fire safety and life  
5 safety requirements.

6 (6) Documentation evidencing compliance with the California  
7 Environmental Quality Act (CEQA).

8 (7) Provisions intended to maintain the tax-exempt status of the  
9 bonds, notes, or bond anticipation notes issued by the board.

10 15820.936. (a) The participating county contribution for adult  
11 local criminal justice facilities financed under this chapter shall  
12 be a minimum of 10 percent of the total project costs. The BSCC  
13 may reduce contribution requirements for participating counties  
14 with a general population below 200,000 upon petition by a  
15 participating county to the BSCC requesting a lower level of  
16 contribution.

17 (b) The BSCC shall determine the funding and scoring criteria.  
18 The BSCC may consider award history in Chapters 3.11 to 3.13,  
19 inclusive, in its scoring of adult local criminal justice facilities  
20 applications. The funding criteria shall include, as a mandatory  
21 criterion, documentation of the percentage of pretrial inmates in  
22 the county jail from January 1, 2013, to December 31, 2013,  
23 inclusive, and a description of the county's current  
24 risk-assessment-based pretrial release program. Funding preference  
25 shall also be given to counties that are most prepared to proceed  
26 successfully with this financing in a timely manner. The  
27 determination of preparedness to proceed shall include the  
28 following:

29 (1) Counties providing a board of supervisors' resolution  
30 authorizing an adequate amount of available matching funds to  
31 satisfy the counties' contribution and approving the forms of the  
32 project documents deemed necessary, as identified by the board  
33 to the BSCC, to effectuate the financing authorized by this chapter,  
34 and authorizing the appropriate signatory or signatories to execute  
35 those documents at the appropriate times. The identified matching  
36 funds in the resolution shall be compatible with the state's lease  
37 revenue bond financing.

38 (2) Counties providing documentation evidencing CEQA  
39 compliance has been completed. Documentation of CEQA  
40 compliance shall be either a final Notice of Determination or a

1 final Notice of Exemption, as appropriate, and a letter from county  
2 counsel certifying the associated statute of limitations has expired  
3 and either no challenges were filed or identifying any challenges  
4 filed and explaining how they have been resolved in a manner that  
5 allows the project to proceed as proposed.

6 (c) Funding consideration shall be given to counties that are  
7 seeking to replace compacted, outdated, or unsafe housing capacity  
8 or are seeking to renovate existing or build new facilities that  
9 provide adequate space for the provision of treatment and  
10 rehabilitation services, including mental health treatment.

11 (d) A participating county may replace existing housing  
12 capacity, realizing only a minimal increase of capacity, using this  
13 financing authority if the requesting county clearly documents an  
14 existing housing capacity deficiency.

15 SEC. 7. Section 30062 of the Government Code is amended  
16 to read:

17 30062. (a) Except as required by paragraphs (1), (2), and (4)  
18 of subdivision (b) of Section 30061, moneys allocated from a  
19 Supplemental Law Enforcement Services Account (SLESA) to a  
20 recipient entity shall be expended exclusively to provide front line  
21 law enforcement services. These moneys shall not be used by local  
22 agencies to supplant other funding for Public Safety Services, as  
23 defined in Section 36 of Article XIII of the California Constitution.  
24 Moneys allocated pursuant to paragraph (4) of subdivision (b) of  
25 Section 30061 shall not be used by local agencies to supplant other  
26 funding for Public Safety Services, as defined in Section 36 of  
27 Article XIII of the California Constitution.

28 (b) In the Counties of Los Angeles, Orange, and San Diego  
29 only, the district attorney may, in consultation with city attorneys  
30 in the county, determine a prorated share of the moneys received  
31 by the district attorney pursuant to this section to be allocated to  
32 city attorneys in the county in each fiscal year to fund the  
33 prosecution by those city attorneys of misdemeanor violations of  
34 state law.

35 (c) In no event shall any moneys allocated from the county's  
36 SLESA be expended by a recipient agency to fund any of the  
37 following:

38 (1) Administrative overhead costs in excess of 0.5 percent of a  
39 recipient entity's SLESA allocation for that year.

1 (2) The costs of any capital project or construction project  
2 funded from moneys allocated pursuant to paragraph (3) of  
3 subdivision (b) of Section 30061 that does not directly support  
4 front line law enforcement services.

5 (3) The costs of any capital project or construction project  
6 funded from moneys allocated pursuant to paragraph (4) of  
7 subdivision (b) of Section 30061.

8 (d) For purposes of subdivision (c), both of the following shall  
9 apply:

10 (1) A “recipient agency” or “recipient entity” is that entity that  
11 actually incurs the expenditures of SLESA funds allocated pursuant  
12 to paragraph (1), (2), (3), or (4) of subdivision (b) of Section 30061.

13 (2) Administrative overhead costs shall only be charged by the  
14 recipient entity, as defined in paragraph (1), up to 0.5 percent of  
15 its SLESA allocation.

16 (e) For purposes of this chapter, “front line law enforcement  
17 services” and “front line municipal police services” each include  
18 antigang, community crime prevention, and juvenile justice  
19 programs.

20 SEC. 8. Section 30070 of the Government Code is amended  
21 to read:

22 30070. (a) For the 2011–12 fiscal year, the program authorized  
23 by this chapter shall be funded from the Local Law Enforcement  
24 Services Account in the Local Revenue Fund 2011. The Controller  
25 shall, on a quarterly basis, beginning on October 1, 2011, allocate  
26 4.07 percent of the moneys annually deposited in the Local Law  
27 Enforcement Services Account. Commencing with the 2012–13  
28 fiscal year, the program authorized by this chapter shall be funded

3 shall first be tried as if only such other plea or pleas had been  
4 entered, and in that trial the defendant shall be conclusively  
5 presumed to have been sane at the time the offense is alleged to  
6 have been committed. If the jury shall find the defendant guilty,  
7 or if the defendant pleads only not guilty by reason of insanity,  
8 then the question whether the defendant was sane or insane at the  
9 time the offense was committed shall be promptly tried, either  
10 before the same jury or before a new jury in the discretion of the  
11 court. In that trial, the jury shall return a verdict either that the  
12 defendant was sane at the time the offense was committed or was  
13 insane at the time the offense was committed. If the verdict or  
14 finding is that the defendant was sane at the time the offense was  
15 committed, the court shall sentence the defendant as provided by  
16 law. If the verdict or finding be that the defendant was insane at  
17 the time the offense was committed, the court, unless it shall appear  
18 to the court that the sanity of the defendant has been recovered  
19 fully, shall direct that the defendant be committed to the State  
20 Department of State Hospitals for the care and treatment of the  
21 mentally disordered or any other appropriate public or private

23 or the court may order the defendant placed on outpatient status  
24 pursuant to Title 15 (commencing with Section 1600) of Part 2.

25     (b) Prior to making the order directing that the defendant be  
26 committed to the State Department of State Hospitals or other  
27 treatment facility or placed on outpatient status, the court shall  
28 order the community program director or a designee to evaluate  
29 the defendant and to submit to the court within 15 judicial days of  
30 the order a written recommendation as to whether the defendant  
31 should be placed on outpatient status or committed to the State  
32 Department of State Hospitals or other treatment facility. No person  
33 shall be admitted to a state hospital or other treatment facility or  
34 placed on outpatient status under this section without having been  
35 evaluated by the community program director or a designee. If,  
36 however, it appears to the court that the sanity of the defendant  
37 has been recovered fully, the defendant shall be remanded to the  
38 custody of the sheriff until the issue of sanity shall have been  
39 finally determined in the manner prescribed by law. A defendant  
40 committed to a state hospital or other treatment facility or placed

9 state in the manner provided in Section 4119 of the Welfare and

11 (c) If the defendant is committed or transferred to the State  
12 Department of State Hospitals pursuant to this section, the court  
13 may, upon receiving the written recommendation of the medical  
14 director of the state hospital and the community program director  
15 that the defendant be transferred to a public or private treatment  
16 facility approved by the community program director, order the  
17 defendant transferred to that facility. If the defendant is committed  
18 or transferred to a public or private treatment facility approved by  
19 the community program director, the court may, upon receiving  
20 the written recommendation of the community program director,  
21 order the defendant transferred to the State Department of State  
22 Hospitals or to another public or private treatment facility approved  
23 by the community program director. Where either the defendant  
24 or the prosecuting attorney chooses to contest either kind of order  
25 of transfer, a petition may be filed in the court requesting a hearing  
26 which shall be held if the court determines that sufficient grounds  
27 exist. At that hearing, the prosecuting attorney or the defendant  
28 may present evidence bearing on the order of transfer. The court  
29 shall use the same procedures and standards of proof as used in  
30 conducting probation revocation hearings pursuant to Section  
31 1203.2.

32 (d) Prior to making an order for transfer under this section, the  
33 court shall notify the defendant, the attorney of record for the  
34 defendant, the prosecuting attorney, and the community program  
35 director or a designee.

36 (e) When the court, after considering the placement  
37 recommendation of the community program director required in  
38 subdivision (b), orders that the defendant be committed to the State  
39 Department of State Hospitals or other public or private treatment  
40 facility, the court shall provide copies of the following documents

2 State Hospitals or other treatment facility where the defendant is  
3 to be committed:

4 (1) The commitment order, including a specification of the  
5 charges.

6 (2) A computation or statement setting forth the maximum term  
7 of commitment in accordance with Section 1026.5.

8 (3) A computation or statement setting forth the amount of credit  
9 for time served, if any, to be deducted from the maximum term of  
10 commitment.

11 (4) State summary criminal history information.

12 (5) Any arrest reports prepared by the police department or other  
13 law enforcement agency.

14 (6) Any court-ordered psychiatric examination or evaluation  
15 reports.

16 (7) The community program director's placement  
17 recommendation report.

18 (8) Any medical records.

19 (f) If the defendant is confined in a state hospital or other  
20 treatment facility as an inpatient, the medical director of the facility  
21 shall, at six-month intervals, submit a report in writing to the court  
22 and the community program director of the county of commitment,  
23 or a designee, setting forth the status and progress of the defendant.  
24 The court shall transmit copies of these reports to the prosecutor  
25 and defense counsel.

26 (g) For purposes of this section and Sections 1026.1 to 1026.6,  
27 inclusive, "community program director" means the person,  
28 agency, or entity designated by the State Department of State  
29 Hospitals pursuant to Section 1605 of this code and Section 4360  
30 of the Welfare and Institutions Code.

31 SEC. 16. Section 1170 of the Penal Code, as amended by  
32 Section 5 of Chapter 508 of the Statutes of 2013, is amended to  
33 read:

34 1170. (a) (1) The Legislature finds and declares that the  
35 purpose of imprisonment for crime is punishment. This purpose  
36 is best served by terms proportionate to the seriousness of the  
37 offense with provision for uniformity in the sentences of offenders  
38 committing the same offense under similar circumstances. The  
39 Legislature further finds and declares that the elimination of  
40 disparity and the provision of uniformity of sentences can best be

1 achieved by determinate sentences fixed by statute in proportion  
2 to the seriousness of the offense as determined by the Legislature  
3 to be imposed by the court with specified discretion.

4 (2) Notwithstanding paragraph (1), the Legislature further finds  
5 and declares that programs should be available for inmates,  
6 including, but not limited to, educational programs, that are  
7 designed to prepare nonviolent felony offenders for successful  
8 reentry into the community. The Legislature encourages the  
9 development of policies and programs designed to educate and  
10 rehabilitate nonviolent felony offenders. In implementing this  
11 section, the Department of Corrections and Rehabilitation is  
12 encouraged to give priority enrollment in programs to promote  
13 successful return to the community to an inmate with a short  
14 remaining term of commitment and a release date that would allow  
15 him or her adequate time to complete the program.

16 (3) In any case in which the punishment prescribed by statute  
17 for a person convicted of a public offense is a term of imprisonment  
18 in the state prison of any specification of three time periods, the  
19 court shall sentence the defendant to one of the terms of  
20 imprisonment specified unless the convicted person is given any  
21 other disposition provided by law, including a fine, jail, probation,  
22 or the suspension of imposition or execution of sentence or is  
23 sentenced pursuant to subdivision (b) of Section 1168 because he  
24 or she had committed his or her crime prior to July 1, 1977. In  
25 sentencing the convicted person, the court shall apply the  
26 sentencing rules of the Judicial Council. The court, unless it  
27 determines that there are circumstances in mitigation of the  
28 punishment prescribed, shall also impose any other term that it is  
29 required by law to impose as an additional term. Nothing in this  
30 article shall affect any provision of law that imposes the death  
31 penalty, that authorizes or restricts the granting of probation or  
32 suspending the execution or imposition of sentence, or expressly  
33 provides for imprisonment in the state prison for life, except as  
34 provided in paragraph (2) of subdivision (d). In any case in which  
35 the amount of preimprisonment credit under Section 2900.5 or any  
36 other provision of law is equal to or exceeds any sentence imposed  
37 pursuant to this chapter, the entire sentence shall be deemed to  
38 have been served and the defendant shall not be actually delivered  
39 to the custody of the secretary. The court shall advise the defendant  
40 that he or she shall serve a period of parole and order the defendant

1 to report to the parole office closest to the defendant's last legal  
2 residence, unless the in-custody credits equal the total sentence,  
3 including both confinement time and the period of parole. The  
4 sentence shall be deemed a separate prior prison term under Section  
5 667.5, and a copy of the judgment and other necessary  
6 documentation shall be forwarded to the secretary.

7 (b) When a judgment of imprisonment is to be imposed and the  
8 statute specifies three possible terms, the choice of the appropriate  
9 term shall rest within the sound discretion of the court. At least  
10 four days prior to the time set for imposition of judgment, either  
11 party or the victim, or the family of the victim if the victim is  
12 deceased, may submit a statement in aggravation or mitigation. In  
13 determining the appropriate term, the court may consider the record  
14 in the case, the probation officer's report, other reports, including  
15 reports received pursuant to Section 1203.03, and statements in  
16 aggravation or mitigation submitted by the prosecution, the  
17 defendant, or the victim, or the family of the victim if the victim  
18 is deceased, and any further evidence introduced at the sentencing  
19 hearing. The court shall select the term which, in the court's  
20 discretion, best serves the interests of justice. The court shall set  
21 forth on the record the reasons for imposing the term selected and  
22 the court may not impose an upper term by using the fact of any  
23 enhancement upon which sentence is imposed under any provision  
24 of law. A term of imprisonment shall not be specified if imposition  
25 of sentence is suspended.

26 (c) The court shall state the reasons for its sentence choice on  
27 the record at the time of sentencing. The court shall also inform  
28 the defendant that as part of the sentence after expiration of the  
29 term he or she may be on parole for a period as provided in Section  
30 3000.

31 (d) (1) When a defendant subject to this section or subdivision  
32 (b) of Section 1168 has been sentenced to be imprisoned in the  
33 state prison and has been committed to the custody of the secretary,  
34 the court may, within 120 days of the date of commitment on its  
35 own motion, or at any time upon the recommendation of the  
36 secretary or the Board of Parole Hearings, recall the sentence and  
37 commitment previously ordered and resentence the defendant in  
38 the same manner as if he or she had not previously been sentenced,  
39 provided the new sentence, if any, is no greater than the initial  
40 sentence. The court resentencing under this subdivision shall apply

1 the sentencing rules of the Judicial Council so as to eliminate  
2 disparity of sentences and to promote uniformity of sentencing.  
3 Credit shall be given for time served.

4 (2) (A) (i) When a defendant who was under 18 years of age  
5 at the time of the commission of the offense for which the  
6 defendant was sentenced to imprisonment for life without the  
7 possibility of parole has served at least 15 years of that sentence,  
8 the defendant may submit to the sentencing court a petition for  
9 recall and resentencing.

10 (ii) Notwithstanding clause (i), this paragraph shall not apply  
11 to defendants sentenced to life without parole for an offense where  
12 the defendant tortured, as described in Section 206, his or her  
13 victim or the victim was a public safety official, including any law  
14 enforcement personnel mentioned in Chapter 4.5 (commencing  
15 with Section 830) of Title 3, or any firefighter as described in  
16 Section 245.1, as well as any other officer in any segment of law  
17 enforcement who is employed by the federal government, the state,  
18 or any of its political subdivisions.

19 (B) The defendant shall file the original petition with the  
20 sentencing court. A copy of the petition shall be served on the  
21 agency that prosecuted the case. The petition shall include the  
22 defendant's statement that he or she was under 18 years of age at  
23 the time of the crime and was sentenced to life in prison without  
24 the possibility of parole, the defendant's statement describing his  
25 or her remorse and work towards rehabilitation, and the defendant's  
26 statement that one of the following is true:

27 (i) The defendant was convicted pursuant to felony murder or  
28 aiding and abetting murder provisions of law.

29 (ii) The defendant does not have juvenile felony adjudications  
30 for assault or other felony crimes with a significant potential for  
31 personal harm to victims prior to the offense for which the sentence  
32 is being considered for recall.

33 (iii) The defendant committed the offense with at least one adult  
34 codefendant.

35 (iv) The defendant has performed acts that tend to indicate  
36 rehabilitation or the potential for rehabilitation, including, but not  
37 limited to, availing himself or herself of rehabilitative, educational,  
38 or vocational programs, if those programs have been available at  
39 his or her classification level and facility, using self-study for  
40 self-improvement, or showing evidence of remorse.

1 (C) If any of the information required in subparagraph (B) is  
2 missing from the petition, or if proof of service on the prosecuting  
3 agency is not provided, the court shall return the petition to the  
4 defendant and advise the defendant that the matter cannot be  
5 considered without the missing information.

6 (D) A reply to the petition, if any, shall be filed with the court  
7 within 60 days of the date on which the prosecuting agency was  
8 served with the petition, unless a continuance is granted for good  
9 cause.

10 (E) If the court finds by a preponderance of the evidence that  
11 the statements in the petition are true, the court shall hold a hearing  
12 to consider whether to recall the sentence and commitment  
13 previously ordered and to resentence the defendant in the same  
14 manner as if the defendant had not previously been sentenced,  
15 provided that the new sentence, if any, is not greater than the initial  
16 sentence. Victims, or victim family members if the victim is  
17 deceased, shall retain the rights to participate in the hearing.

18 (F) The factors that the court may consider when determining  
19 whether to recall and resentence include, but are not limited to,  
20 the following:

21 (i) The defendant was convicted pursuant to felony murder or  
22 aiding and abetting murder provisions of law.

23 (ii) The defendant does not have juvenile felony adjudications  
24 for assault or other felony crimes with a significant potential for  
25 personal harm to victims prior to the offense for which the sentence  
26 is being considered for recall.

27 (iii) The defendant committed the offense with at least one adult  
28 codefendant.

29 (iv) Prior to the offense for which the sentence is being  
30 considered for recall, the defendant had insufficient adult support  
31 or supervision and had suffered from psychological or physical  
32 trauma, or significant stress.

33 (v) The defendant suffers from cognitive limitations due to  
34 mental illness, developmental disabilities, or other factors that did  
35 not constitute a defense, but influenced the defendant's  
36 involvement in the offense.

37 (vi) The defendant has performed acts that tend to indicate  
38 rehabilitation or the potential for rehabilitation, including, but not  
39 limited to, availing himself or herself of rehabilitative, educational,  
40 or vocational programs, if those programs have been available at

1 his or her classification level and facility, using self-study for  
2 self-improvement, or showing evidence of remorse.

3 (vii) The defendant has maintained family ties or connections  
4 with others through letter writing, calls, or visits, or has eliminated  
5 contact with individuals outside of prison who are currently  
6 involved with crime.

7 (viii) The defendant has had no disciplinary actions for violent  
8 activities in the last five years in which the defendant was  
9 determined to be the aggressor.

10 (G) The court shall have the discretion to recall the sentence  
11 and commitment previously ordered and to resentence the  
12 defendant in the same manner as if the defendant had not  
13 previously been sentenced, provided that the new sentence, if any,  
14 is not greater than the initial sentence. The discretion of the court  
15 shall be exercised in consideration of the criteria in subparagraph  
16 (B). Victims, or victim family members if the victim is deceased,  
17 shall be notified of the resentencing hearing and shall retain their  
18 rights to participate in the hearing.

19 (H) If the sentence is not recalled, the defendant may submit  
20 another petition for recall and resentencing to the sentencing court  
21 when the defendant has been committed to the custody of the  
22 department for at least 20 years. If recall and resentencing is not  
23 granted under that petition, the defendant may file another petition  
24 after having served 24 years. The final petition may be submitted,  
25 and the response to that petition shall be determined, during the  
26 25th year of the defendant's sentence.

27 (I) In addition to the criteria in subparagraph (F), the court may  
28 consider any other criteria that the court deems relevant to its  
29 decision, so long as the court identifies them on the record,  
30 provides a statement of reasons for adopting them, and states why  
31 the defendant does or does not satisfy the criteria.

32 (J) This subdivision shall have retroactive application.

33 (e) (1) Notwithstanding any other law and consistent with  
34 paragraph (1) of subdivision (a), if the secretary or the Board of  
35 Parole Hearings or both determine that a prisoner satisfies the  
36 criteria set forth in paragraph (2), the secretary or the board may  
37 recommend to the court that the prisoner's sentence be recalled.

38 (2) The court shall have the discretion to resentence or recall if  
39 the court finds that the facts described in subparagraphs (A) and  
40 (B) or subparagraphs (B) and (C) exist:

1 (A) The prisoner is terminally ill with an incurable condition  
2 caused by an illness or disease that would produce death within  
3 six months, as determined by a physician employed by the  
4 department.

5 (B) The conditions under which the prisoner would be released  
6 or receive treatment do not pose a threat to public safety.

7 (C) The prisoner is permanently medically incapacitated with  
8 a medical condition that renders him or her permanently unable  
9 to perform activities of basic daily living, and results in the prisoner  
10 requiring 24-hour total care, including, but not limited to, coma,  
11 persistent vegetative state, brain death, ventilator-dependency, loss  
12 of control of muscular or neurological function, and that  
13 incapacitation did not exist at the time of the original sentencing.

14 The Board of Parole Hearings shall make findings pursuant to  
15 this subdivision before making a recommendation for resentence  
16 or recall to the court. This subdivision does not apply to a prisoner  
17 sentenced to death or a term of life without the possibility of parole.

18 (3) Within 10 days of receipt of a positive recommendation by  
19 the secretary or the board, the court shall hold a hearing to consider  
20 whether the prisoner's sentence should be recalled.

21 (4) Any physician employed by the department who determines  
22 that a prisoner has six months or less to live shall notify the chief  
23 medical officer of the prognosis. If the chief medical officer  
24 concurs with the prognosis, he or she shall notify the warden.  
25 Within 48 hours of receiving notification, the warden or the  
26 warden's representative shall notify the prisoner of the recall and  
27 resentencing procedures, and shall arrange for the prisoner to  
28 designate a family member or other outside agent to be notified  
29 as to the prisoner's medical condition and prognosis, and as to the  
30 recall and resentencing procedures. If the inmate is deemed  
31 mentally unfit, the warden or the warden's representative shall  
32 contact the inmate's emergency contact and provide the information  
33 described in paragraph (2).

34 (5) The warden or the warden's representative shall provide the  
35 prisoner and his or her family member, agent, or emergency  
36 contact, as described in paragraph (4), updated information  
37 throughout the recall and resentencing process with regard to the  
38 prisoner's medical condition and the status of the prisoner's recall  
39 and resentencing proceedings.

(6) Notwithstanding any other provisions of this section, the prisoner or his or her family member or designee may independently request consideration for recall and resentencing by contacting the chief medical officer at the prison or the secretary. Upon receipt of the request, the chief medical officer and the warden or the warden's representative shall follow the procedures described in paragraph (4). If the secretary determines that the prisoner satisfies the criteria set forth in paragraph (2), the secretary or board may recommend to the court that the prisoner's sentence be recalled. The secretary shall submit a recommendation for release within 30 days in the case of inmates sentenced to determinate terms and, in the case of inmates sentenced to indeterminate terms, the secretary shall make a recommendation to the Board of Parole Hearings with respect to the inmates who have applied under this section. The board shall consider this information and make an independent judgment pursuant to paragraph (2) and make findings related thereto before rejecting the request or making a recommendation to the court. This action shall be taken at the next lawfully noticed board meeting.

(7) Any recommendation for recall submitted to the court by the secretary or the Board of Parole Hearings shall include one or more medical evaluations, a postrelease plan, and findings pursuant to paragraph (2).

(8) If possible, the matter shall be heard before the same judge of the court who sentenced the prisoner.

(9) If the court grants the recall and resentencing application, the prisoner shall be released by the department within 48 hours of receipt of the court's order, unless a longer time period is agreed to by the inmate. At the time of release, the warden or the warden's representative shall ensure that the prisoner has each of the following in his or her possession: a discharge medical summary, full medical records, state identification, parole medications, and all property belonging to the prisoner. After discharge, any additional records shall be sent to the prisoner's forwarding address.

(10) The secretary shall issue a directive to medical and correctional staff employed by the department that details the guidelines and procedures for initiating a recall and resentencing procedure. The directive shall clearly state that any prisoner who is given a prognosis of six months or less to live is eligible for

1 recall and resentencing consideration, and that recall and  
2 resentencing procedures shall be initiated upon that prognosis.

3 (f) Notwithstanding any other provision of this section, for  
4 purposes of paragraph (3) of subdivision (h), any allegation that  
5 a defendant is eligible for state prison due to a prior or current  
6 conviction, sentence enhancement, or because he or she is required  
7 to register as a sex offender shall not be subject to dismissal  
8 pursuant to Section 1385.

9 (g) A sentence to state prison for a determinate term for which  
10 only one term is specified, is a sentence to state prison under this  
11 section.

12 (h) (1) Except as provided in paragraph (3), a felony punishable  
13 pursuant to this subdivision where the term is not specified in the  
14 underlying offense shall be punishable by a term of imprisonment  
15 in a county jail for 16 months, or two or three years.

16 (2) Except as provided in paragraph (3), a felony punishable  
17 pursuant to this subdivision shall be punishable by imprisonment  
18 in a county jail for the term described in the underlying offense.

19 (3) Notwithstanding paragraphs (1) and (2), where the defendant  
20 (A) has a prior or current felony conviction for a serious felony  
21 described in subdivision (c) of Section 1192.7 or a prior or current  
22 conviction for a violent felony described in subdivision (c) of  
23 Section 667.5, (B) has a prior felony conviction in another  
24 jurisdiction for an offense that has all the elements of a serious  
25 felony described in subdivision (c) of Section 1192.7 or a violent  
26 felony described in subdivision (c) of Section 667.5, (C) is required  
27 to register as a sex offender pursuant to Chapter 5.5 (commencing  
28 with Section 290) of Title 9 of Part 1, or (D) is convicted of a crime  
29 and as part of the sentence an enhancement pursuant to Section  
30 186.11 is imposed, an executed sentence for a felony punishable  
31 pursuant to this subdivision shall be served in state prison.

32 (4) Nothing in this subdivision shall be construed to prevent  
33 other dispositions authorized by law, including pretrial diversion,  
34 deferred entry of judgment, or an order granting probation pursuant  
35 to Section 1203.1.

36 (5) (A) Unless the court finds that, in the interests of justice, it  
37 is not appropriate in a particular case, the court, when imposing a  
38 sentence pursuant to paragraph (1) or (2) of this subdivision, shall  
39 suspend execution of a concluding portion of the term for a period  
40 selected at the court's discretion.

(B) The portion of a defendant's sentenced term that is suspended pursuant to this paragraph shall be known as mandatory supervision, and shall begin upon release from custody. During the period of mandatory supervision, the defendant shall be supervised by the county probation officer in accordance with the terms, conditions, and procedures generally applicable to persons placed on probation, for the remaining unserved portion of the sentence imposed by the court. The period of supervision shall be mandatory, and may not be earlier terminated except by court order. Any proceeding to revoke or modify mandatory supervision under this subparagraph shall be conducted pursuant to either subdivisions (a) and (b) of Section 1203.2 or Section 1203.3. During the period when the defendant is under such supervision, unless in actual custody related to the sentence imposed by the court, the defendant shall be entitled to only actual time credit against the term of imprisonment imposed by the court. Any time period which is suspended because a person has absconded shall not be credited toward the period of supervision.

(6) The sentencing changes made by the act that added this subdivision shall be applied prospectively to any person sentenced on or after October 1, 2011, until December 31, 2014.

(7) The sentencing changes made by the act that added this paragraph shall be applied prospectively to any person sentenced on or after January 1, 2015.

(i) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before that date, deletes or extends that date.

SEC. 17. Section 1170 of the Penal Code, as amended by Section 6 of Chapter 508 of the Statutes of 2013, is amended to read:

1170. (a) (1) The Legislature finds and declares that the purpose of imprisonment for crime is punishment. This purpose is best served by terms proportionate to the seriousness of the offense with provision for uniformity in the sentences of offenders committing the same offense under similar circumstances. The Legislature further finds and declares that the elimination of disparity and the provision of uniformity of sentences can best be achieved by determinate sentences fixed by statute in proportion to the seriousness of the offense as determined by the Legislature to be imposed by the court with specified discretion.

1 (2) Notwithstanding paragraph (1), the Legislature further finds  
2 and declares that programs should be available for inmates,  
3 including, but not limited to, educational programs, that are  
4 designed to prepare nonviolent felony offenders for successful  
5 reentry into the community. The Legislature encourages the  
6 development of policies and programs designed to educate and  
7 rehabilitate nonviolent felony offenders. In implementing this  
8 section, the Department of Corrections and Rehabilitation is  
9 encouraged to give priority enrollment in programs to promote  
10 successful return to the community to an inmate with a short  
11 remaining term of commitment and a release date that would allow  
12 him or her adequate time to complete the program.

13 (3) In any case in which the punishment prescribed by statute  
14 for a person convicted of a public offense is a term of imprisonment  
15 in the state prison of any specification of three time periods, the  
16 court shall sentence the defendant to one of the terms of  
17 imprisonment specified unless the convicted person is given any  
18 other disposition provided by law, including a fine, jail, probation,  
19 or the suspension of imposition or execution of sentence or is  
20 sentenced pursuant to subdivision (b) of Section 1168 because he  
21 or she had committed his or her crime prior to July 1, 1977. In  
22 sentencing the convicted person, the court shall apply the  
23 sentencing rules of the Judicial Council. The court, unless it  
24 determines that there are circumstances in mitigation of the  
25 punishment prescribed, shall also impose any other term that it is  
26 required by law to impose as an additional term. Nothing in this  
27 article shall affect any provision of law that imposes the death  
28 penalty, that authorizes or restricts the granting of probation or  
29 suspending the execution or imposition of sentence, or expressly  
30 provides for imprisonment in the state prison for life, except as  
31 provided in paragraph (2) of subdivision (d). In any case in which  
32 the amount of preimprisonment credit under Section 2900.5 or any  
33 other provision of law is equal to or exceeds any sentence imposed  
34 pursuant to this chapter, the entire sentence shall be deemed to  
35 have been served and the defendant shall not be actually delivered  
36 to the custody of the secretary. The court shall advise the defendant  
37 that he or she shall serve a period of parole and order the defendant  
38 to report to the parole office closest to the defendant's last legal  
39 residence, unless the in-custody credits equal the total sentence,  
40 including both confinement time and the period of parole. The

1 sentence shall be deemed a separate prior prison term under Section  
2 667.5, and a copy of the judgment and other necessary  
3 documentation shall be forwarded to the secretary.

4 (b) When a judgment of imprisonment is to be imposed and the  
5 statute specifies three possible terms, the court shall order  
6 imposition of the middle term, unless there are circumstances in  
7 aggravation or mitigation of the crime. At least four days prior to  
8 the time set for imposition of judgment, either party or the victim,  
9 or the family of the victim if the victim is deceased, may submit  
10 a statement in aggravation or mitigation to dispute facts in the  
11 record or the probation officer's report, or to present additional  
12 facts. In determining whether there are circumstances that justify  
13 imposition of the upper or lower term, the court may consider the  
14 record in the case, the probation officer's report, other reports,  
15 including reports received pursuant to Section 1203.03, and  
16 statements in aggravation or mitigation submitted by the  
17 prosecution, the defendant, or the victim, or the family of the victim  
18 if the victim is deceased, and any further evidence introduced at  
19 the sentencing hearing. The court shall set forth on the record the  
20 facts and reasons for imposing the upper or lower term. The court  
21 may not impose an upper term by using the fact of any  
22 enhancement upon which sentence is imposed under any provision  
23 of law. A term of imprisonment shall not be specified if imposition  
24 of sentence is suspended.

25 (c) The court shall state the reasons for its sentence choice on  
26 the record at the time of sentencing. The court shall also inform  
27 the defendant that as part of the sentence after expiration of the  
28 term he or she may be on parole for a period as provided in Section  
29 3000.

30 (d) (1) When a defendant subject to this section or subdivision  
31 (b) of Section 1168 has been sentenced to be imprisoned in the  
32 state prison and has been committed to the custody of the secretary,  
33 the court may, within 120 days of the date of commitment on its  
34 own motion, or at any time upon the recommendation of the  
35 secretary or the Board of Parole Hearings, recall the sentence and  
36 commitment previously ordered and resentence the defendant in  
37 the same manner as if he or she had not previously been sentenced,  
38 provided the new sentence, if any, is no greater than the initial  
39 sentence. The court resentencing under this subdivision shall apply  
40 the sentencing rules of the Judicial Council so as to eliminate

1 disparity of sentences and to promote uniformity of sentencing.  
2 Credit shall be given for time served.

3 (2) (A) (i) When a defendant who was under 18 years of age  
4 at the time of the commission of the offense for which the  
5 defendant was sentenced to imprisonment for life without the  
6 possibility of parole has served at least 15 years of that sentence,  
7 the defendant may submit to the sentencing court a petition for  
8 recall and resentencing.

9 (ii) Notwithstanding clause (i), this paragraph shall not apply  
10 to defendants sentenced to life without parole for an offense where  
11 the defendant tortured, as described in Section 206, his or her  
12 victim or the victim was a public safety official, including any law  
13 enforcement personnel mentioned in Chapter 4.5 (commencing  
14 with Section 830) of Title 3, or any firefighter as described in  
15 Section 245.1, as well as any other officer in any segment of law  
16 enforcement who is employed by the federal government, the state,  
17 or any of its political subdivisions.

18 (B) The defendant shall file the original petition with the  
19 sentencing court. A copy of the petition shall be served on the  
20 agency that prosecuted the case. The petition shall include the  
21 defendant's statement that he or she was under 18 years of age at  
22 the time of the crime and was sentenced to life in prison without  
23 the possibility of parole, the defendant's statement describing his  
24 or her remorse and work towards rehabilitation, and the defendant's  
25 statement that one of the following is true:

26 (i) The defendant was convicted pursuant to felony murder or  
27 aiding and abetting murder provisions of law.

28 (ii) The defendant does not have juvenile felony adjudications  
29 for assault or other felony crimes with a significant potential for  
30 personal harm to victims prior to the offense for which the sentence  
31 is being considered for recall.

32 (iii) The defendant committed the offense with at least one adult  
33 codefendant.

34 (iv) The defendant has performed acts that tend to indicate  
35 rehabilitation or the potential for rehabilitation, including, but not  
36 limited to, availing himself or herself of rehabilitative, educational,  
37 or vocational programs, if those programs have been available at  
38 his or her classification level and facility, using self-study for  
39 self-improvement, or showing evidence of remorse.

1 (C) If any of the information required in subparagraph (B) is  
2 missing from the petition, or if proof of service on the prosecuting  
3 agency is not provided, the court shall return the petition to the  
4 defendant and advise the defendant that the matter cannot be  
5 considered without the missing information.

6 (D) A reply to the petition, if any, shall be filed with the court  
7 within 60 days of the date on which the prosecuting agency was  
8 served with the petition, unless a continuance is granted for good  
9 cause.

10 (E) If the court finds by a preponderance of the evidence that  
11 the statements in the petition are true, the court shall hold a hearing  
12 to consider whether to recall the sentence and commitment  
13 previously ordered and to resentence the defendant in the same  
14 manner as if the defendant had not previously been sentenced,  
15 provided that the new sentence, if any, is not greater than the initial  
16 sentence. Victims, or victim family members if the victim is  
17 deceased, shall retain the rights to participate in the hearing.

18 (F) The factors that the court may consider when determining  
19 whether to recall and resentence include, but are not limited to,  
20 the following:

21 (i) The defendant was convicted pursuant to felony murder or  
22 aiding and abetting murder provisions of law.

23 (ii) The defendant does not have juvenile felony adjudications  
24 for assault or other felony crimes with a significant potential for  
25 personal harm to victims prior to the offense for which the sentence  
26 is being considered for recall.

27 (iii) The defendant committed the offense with at least one adult  
28 codefendant.

29 (iv) Prior to the offense for which the sentence is being  
30 considered for recall, the defendant had insufficient adult support  
31 or supervision and had suffered from psychological or physical  
32 trauma, or significant stress.

33 (v) The defendant suffers from cognitive limitations due to  
34 mental illness, developmental disabilities, or other factors that did  
35 not constitute a defense, but influenced the defendant's  
36 involvement in the offense.

37 (vi) The defendant has performed acts that tend to indicate  
38 rehabilitation or the potential for rehabilitation, including, but not  
39 limited to, availing himself or herself of rehabilitative, educational,  
40 or vocational programs, if those programs have been available at

1 his or her classification level and facility, using self-study for  
2 self-improvement, or showing evidence of remorse.

3 (vii) The defendant has maintained family ties or connections  
4 with others through letter writing, calls, or visits, or has eliminated  
5 contact with individuals outside of prison who are currently  
6 involved with crime.

7 (viii) The defendant has had no disciplinary actions for violent  
8 activities in the last five years in which the defendant was  
9 determined to be the aggressor.

10 (G) The court shall have the discretion to recall the sentence  
11 and commitment previously ordered and to resentence the  
12 defendant in the same manner as if the defendant had not  
13 previously been sentenced, provided that the new sentence, if any,  
14 is not greater than the initial sentence. The discretion of the court  
15 shall be exercised in consideration of the criteria in subparagraph  
16 (B). Victims, or victim family members if the victim is deceased,  
17 shall be notified of the resentencing hearing and shall retain their  
18 rights to participate in the hearing.

19 (H) If the sentence is not recalled, the defendant may submit  
20 another petition for recall and resentencing to the sentencing court  
21 when the defendant has been committed to the custody of the  
22 department for at least 20 years. If recall and resentencing is not  
23 granted under that petition, the defendant may file another petition  
24 after having served 24 years. The final petition may be submitted,  
25 and the response to that petition shall be determined, during the  
26 25th year of the defendant's sentence.

27 (I) In addition to the criteria in subparagraph (F), the court may  
28 consider any other criteria that the court deems relevant to its  
29 decision, so long as the court identifies them on the record,  
30 provides a statement of reasons for adopting them, and states why  
31 the defendant does or does not satisfy the criteria.

32 (J) This subdivision shall have retroactive application.

33 (e) (1) Notwithstanding any other law and consistent with  
34 paragraph (1) of subdivision (a), if the secretary or the Board of  
35 Parole Hearings or both determine that a prisoner satisfies the  
36 criteria set forth in paragraph (2), the secretary or the board may  
37 recommend to the court that the prisoner's sentence be recalled.

38 (2) The court shall have the discretion to resentence or recall if  
39 the court finds that the facts described in subparagraphs (A) and  
40 (B) or subparagraphs (B) and (C) exist:

1 (A) The prisoner is terminally ill with an incurable condition  
2 caused by an illness or disease that would produce death within  
3 six months, as determined by a physician employed by the  
4 department.

5 (B) The conditions under which the prisoner would be released  
6 or receive treatment do not pose a threat to public safety.

7 (C) The prisoner is permanently medically incapacitated with  
8 a medical condition that renders him or her permanently unable  
9 to perform activities of basic daily living, and results in the prisoner  
10 requiring 24-hour total care, including, but not limited to, coma,  
11 persistent vegetative state, brain death, ventilator-dependency, loss  
12 of control of muscular or neurological function, and that  
13 incapacitation did not exist at the time of the original sentencing.

14 The Board of Parole Hearings shall make findings pursuant to  
15 this subdivision before making a recommendation for resentence  
16 or recall to the court. This subdivision does not apply to a prisoner  
17 sentenced to death or a term of life without the possibility of parole.

18 (3) Within 10 days of receipt of a positive recommendation by  
19 the secretary or the board, the court shall hold a hearing to consider  
20 whether the prisoner's sentence should be recalled.

21 (4) Any physician employed by the department who determines  
22 that a prisoner has six months or less to live shall notify the chief  
23 medical officer of the prognosis. If the chief medical officer  
24 concurs with the prognosis, he or she shall notify the warden.  
25 Within 48 hours of receiving notification, the warden or the  
26 warden's representative shall notify the prisoner of the recall and  
27 resentencing procedures, and shall arrange for the prisoner to  
28 designate a family member or other outside agent to be notified  
29 as to the prisoner's medical condition and prognosis, and as to the  
30 recall and resentencing procedures. If the inmate is deemed  
31 mentally unfit, the warden or the warden's representative shall  
32 contact the inmate's emergency contact and provide the information  
33 described in paragraph (2).

34 (5) The warden or the warden's representative shall provide the  
35 prisoner and his or her family member, agent, or emergency  
36 contact, as described in paragraph (4), updated information  
37 throughout the recall and resentencing process with regard to the  
38 prisoner's medical condition and the status of the prisoner's recall  
39 and resentencing proceedings.

1 (6) Notwithstanding any other provisions of this section, the  
2 prisoner or his or her family member or designee may  
3 independently request consideration for recall and resentencing  
4 by contacting the chief medical officer at the prison or the  
5 secretary. Upon receipt of the request, the chief medical officer  
6 and the warden or the warden's representative shall follow the  
7 procedures described in paragraph (4). If the secretary determines  
8 that the prisoner satisfies the criteria set forth in paragraph (2), the  
9 secretary or board may recommend to the court that the prisoner's  
10 sentence be recalled. The secretary shall submit a recommendation  
11 for release within 30 days in the case of inmates sentenced to  
12 determinate terms and, in the case of inmates sentenced to  
13 indeterminate terms, the secretary shall make a recommendation  
14 to the Board of Parole Hearings with respect to the inmates who  
15 have applied under this section. The board shall consider this  
16 information and make an independent judgment pursuant to  
17 paragraph (2) and make findings related thereto before rejecting  
18 the request or making a recommendation to the court. This action  
19 shall be taken at the next lawfully noticed board meeting.

20 (7) Any recommendation for recall submitted to the court by  
21 the secretary or the Board of Parole Hearings shall include one or  
22 more medical evaluations, a postrelease plan, and findings pursuant  
23 to paragraph (2).

24 (8) If possible, the matter shall be heard before the same judge  
25 of the court who sentenced the prisoner.

26 (9) If the court grants the recall and resentencing application,  
27 the prisoner shall be released by the department within 48 hours  
28 of receipt of the court's order, unless a longer time period is agreed  
29 to by the inmate. At the time of release, the warden or the warden's  
30 representative shall ensure that the prisoner has each of the  
31 following in his or her possession: a discharge medical summary,  
32 full medical records, state identification, parole medications, and  
33 all property belonging to the prisoner. After discharge, any  
34 additional records shall be sent to the prisoner's forwarding  
35 address.

36 (10) The secretary shall issue a directive to medical and  
37 correctional staff employed by the department that details the  
38 guidelines and procedures for initiating a recall and resentencing  
39 procedure. The directive shall clearly state that any prisoner who  
40 is given a prognosis of six months or less to live is eligible for

1 recall and resentencing consideration, and that recall and  
2 resentencing procedures shall be initiated upon that prognosis.

3 (f) Notwithstanding any other provision of this section, for  
4 purposes of paragraph (3) of subdivision (h), any allegation that  
5 a defendant is eligible for state prison due to a prior or current  
6 conviction, sentence enhancement, or because he or she is required  
7 to register as a sex offender shall not be subject to dismissal  
8 pursuant to Section 1385.

9 (g) A sentence to state prison for a determinate term for which  
10 only one term is specified, is a sentence to state prison under this  
11 section.

12 (h) (1) Except as provided in paragraph (3), a felony punishable  
13 pursuant to this subdivision where the term is not specified in the  
14 underlying offense shall be punishable by a term of imprisonment  
15 in a county jail for 16 months, or two or three years.

16 (2) Except as provided in paragraph (3), a felony punishable  
17 pursuant to this subdivision shall be punishable by imprisonment  
18 in a county jail for the term described in the underlying offense.

19 (3) Notwithstanding paragraphs (1) and (2), where the defendant  
20 (A) has a prior or current felony conviction for a serious felony  
21 described in subdivision (c) of Section 1192.7 or a prior or current  
22 conviction for a violent felony described in subdivision (c) of  
23 Section 667.5, (B) has a prior felony conviction in another  
24 jurisdiction for an offense that has all the elements of a serious  
25 felony described in subdivision (c) of Section 1192.7 or a violent  
26 felony described in subdivision (c) of Section 667.5, (C) is required  
27 to register as a sex offender pursuant to Chapter 5.5 (commencing  
28 with Section 290) of Title 9 of Part 1, or (D) is convicted of a crime  
29 and as part of the sentence an enhancement pursuant to Section  
30 186.11 is imposed, an executed sentence for a felony punishable  
31 pursuant to this subdivision shall be served in state prison.

32 (4) Nothing in this subdivision shall be construed to prevent  
33 other dispositions authorized by law, including pretrial diversion,  
34 deferred entry of judgment, or an order granting probation pursuant  
35 to Section 1203.1.

36 (5) (A) Unless the court finds, in the interest of justice, that it  
37 is not appropriate in a particular case, the court, when imposing a  
38 sentence pursuant to paragraph (1) or (2) of this subdivision, shall  
39 suspend execution of a concluding portion of the term for a period  
40 selected at the court's discretion.

1 (B) The portion of a defendant's sentenced term that is  
2 suspended pursuant to this paragraph shall be known as mandatory  
3 supervision, and shall begin upon release from custody. During  
4 the period of mandatory supervision, the defendant shall be  
5 supervised by the county probation officer in accordance with the  
6 terms, conditions, and procedures generally applicable to persons  
7 placed on probation, for the remaining unserved portion of the  
8 sentence imposed by the court. The period of supervision shall be  
9 mandatory, and may not be earlier terminated except by court  
10 order. Any proceeding to revoke or modify mandatory supervision  
11 under this subparagraph shall be conducted pursuant to either  
12 subdivisions (a) and (b) of Section 1203.2 or Section 1203.3.  
13 During the period when the defendant is under such supervision,  
14 unless in actual custody related to the sentence imposed by the  
15 court, the defendant shall be entitled to only actual time credit  
16 against the term of imprisonment imposed by the court. Any time  
17 period which is suspended because a person has absconded shall  
18 not be credited toward the period of supervision.

19 (6) The sentencing changes made by the act that added this  
20 subdivision shall be applied prospectively to any person sentenced  
21 on or after October 1, 2011, until December 31, 2014.

22 (7) The sentencing changes made by the act that added this  
23 subdivision shall be applied prospectively to any person sentenced  
24 on or after January 1, 2015.

25 (i) This section shall become operative on January 1, 2017.

26 SEC. 18. Section 1170.06 is added to the Penal Code, to read:

27 1170.06. (a) Notwithstanding any other law, a sheriff or a  
28 county director of corrections is authorized to offer a program  
29 under which inmates as specified in subdivision (c), who are not  
30 precluded by subdivision (d), and who have been committed to a  
31 county jail may be allowed to participate in a voluntary alternative  
32 custody program as defined in subdivision (b) in lieu of their  
33 confinement in a county jail. Under this program, one day of  
34 participation is in lieu of one day of incarceration in a county jail.  
35 Participants in the program shall receive any sentence reduction  
36 credits that they would have received had they served their sentence  
37 in a county jail, and are subject to denial and loss of credit pursuant  
38 to subdivision (d) of Section 4019. The sheriff or the county  
39 director of corrections may enter into contracts with county

1 agencies, not-for-profit organizations, for-profit organizations, and  
2 others in order to promote alternative custody placements.

3 (b) As used in this section, an alternative custody program shall  
4 include, but is not limited to, the following:

5 (1) Confinement to a residential home during the hours  
6 designated by the sheriff or the county director of corrections.

7 (2) Confinement to a residential drug or treatment program  
8 during the hours designated by the county sheriff or the county  
9 director of corrections.

10 (3) Confinement to a transitional care facility that offers  
11 appropriate services.

12 (4) Confinement to a mental health clinic or hospital that offers  
13 appropriate mental health services.

14 (c) Except as provided by subdivision (d), inmates sentenced  
15 to a county jail for a determinate term of imprisonment pursuant  
16 to a misdemeanor or a felony pursuant to subdivision (h) of Section  
17 1170, and only those persons, are eligible to participate in the  
18 alternative custody program authorized by this section.

19 (d) An inmate committed to a county jail who meets any of the  
20 following criteria is not eligible to participate in the alternative  
21 custody program:

22 (1) The person was screened by the sheriff or the county director  
23 of corrections using a validated risk assessment tool and determined  
24 to pose a high risk to commit a violent offense.

25 (2) The person has a history, within the last 10 years, of escape  
26 from a facility while under juvenile or adult custody, including,  
27 but not limited to, any detention facility, camp, jail, or state prison  
28 facility.

29 (3) The person has a current or prior conviction for an offense  
30 that requires the person to register as a sex offender as provided  
31 in Chapter 5.5. (commencing with Section 290) of Title 9 of Part  
32 1.

33 (e) An alternative custody program may include the use of  
34 electronic monitoring, global positioning system devices, or other  
35 supervising devices for the purpose of helping to verify a  
36 participant's compliance with the rules and regulations of the  
37 program. The devices shall not be used to eavesdrop or record any  
38 conversation, except a conversation between the participant and  
39 the person supervising the participant, in which case the recording

1 of the conversation is to be used solely for the purposes of voice  
2 identification.

3 (f) (1) In order to implement alternative custody for the  
4 population specified in subdivision (c), the sheriff or the county  
5 director of corrections shall create, and the participant shall agree  
6 to and fully participate in, an individualized treatment and  
7 rehabilitation plan. When available and appropriate for the  
8 individualized treatment and rehabilitation plan, the sheriff or the  
9 county director of corrections shall prioritize the use of  
10 evidence-based programs and services that will aid in the  
11 participant's successful reentry into society while he or she takes  
12 part in alternative custody. Case management services shall be  
13 provided to support rehabilitation and to track the progress and  
14 individualized treatment plan compliance of the inmate.

15 (2) For purposes of this section, "evidence-based practices"  
16 means supervision policies, procedures, programs, and practices  
17 demonstrated by scientific research to reduce recidivism among  
18 individuals under probation, parole, or postrelease community  
19 supervision.

20 (g) The sheriff or the county director of corrections shall  
21 prescribe reasonable rules to govern the operation of the alternative  
22 custody program. Each participant shall be informed in writing  
23 that he or she is required to comply with the rules of the program,  
24 including, but not limited to, the following rules:

25 (1) The participant shall remain within the interior premises of  
26 his or her residence during the hours designated by the sheriff or  
27 his or her designee or the county director of corrections or his or  
28 her designee.

29 (2) The participant shall be subject to search and seizure by a  
30 peace officer at any time of the day or night, with or without cause.  
31 In addition, the participant shall admit any peace officer designated  
32 by the sheriff or his or her designee or the county director of  
33 corrections or his or her designee into the participant's residence  
34 at any time for purposes of verifying the participant's compliance  
35 with the conditions of his or her detention. Prior to participation  
36 in the alternative custody program, each participant shall agree in  
37 writing to these terms and conditions.

38 (3) The sheriff or his or her designee, or the county director of  
39 corrections or his or her designee, may immediately retake the  
40 participant into custody to serve the balance of his or her sentence

1 if an electronic monitoring or supervising device is unable for any  
2 reason to properly perform its function at the designated place of  
3 detention, if the participant fails to remain within the place of  
4 detention as stipulated in the agreement, or if the participant for  
5 any other reason no longer meets the criteria under this section.

6 (h) Whenever a peace officer supervising a participant has  
7 reasonable suspicion to believe that the participant is not complying  
8 with the rules or conditions of the program, or that a required  
9 electronic monitoring device is unable to function properly in the  
10 designated place of confinement, the peace officer may, under  
11 general or specific authorization of the sheriff or his or her  
12 designee, or the county director of corrections or his or her  
13 designee, and without a warrant of arrest, retake the participant  
14 into custody to complete the remainder of the original sentence.

15 (i) This section shall not be construed to require a sheriff or his  
16 or her designee, or a county director of corrections or his or her  
17 designee, to allow an inmate to participate in this program if it  
18 appears from the record that the inmate has not satisfactorily  
19 complied with reasonable rules and regulations while in custody.  
20 An inmate shall be eligible for participation in an alternative  
21 custody program only if the sheriff or his or her designee or the  
22 county director of corrections or his or her designee concludes that  
23 the inmate meets the criteria for program participation established  
24 under this section and that the inmate's participation is consistent  
25 with any reasonable rules prescribed by the sheriff or the county  
26 director of corrections.

27 (1) The rules and administrative policies of the program shall  
28 be written and shall be given or made available to each participant  
29 upon assignment to the alternative custody program.

30 (2) The sheriff or his or her designee or the county director of  
31 corrections or his or her designee shall have the sole discretion  
32 concerning whether to permit program participation as an  
33 alternative to custody in a county jail. A risk and needs assessment  
34 shall be completed on each inmate to assist in the determination  
35 of eligibility for participation and the type of alternative custody.

36 (j) (1) The sheriff or his or her designee or the county director  
37 of corrections or his or her designee shall permit program  
38 participants to seek and retain employment in the community,  
39 attend psychological counseling sessions or educational or  
40 vocational training classes, participate in life skills or parenting

1 training, utilize substance abuse treatment services, or seek  
2 medical, mental health, and dental assistance based upon the  
3 participant's individualized treatment and release plan.  
4 Participation in other rehabilitative services and programs may be  
5 approved by the case manager if it is specified as a requirement  
6 of the inmate's individualized treatment and rehabilitative case  
7 plan.

8 (2) Willful failure of the program participant to return to the  
9 place of detention prior to the expiration of any period of time  
10 during which he or she is authorized to be away from the place of  
11 detention, unauthorized departures from the place of detention, or  
12 tampering with or disabling, or attempting to tamper with or  
13 disable, an electronic monitoring device is punishable pursuant to  
14 Section 4532 and shall additionally subject the participant to a  
15 return to custody pursuant to subdivisions (g) and (h). In addition,  
16 participants may be subject to forfeiture of credits pursuant to the  
17 provisions of Section 4019, or to discipline for violation of rules  
18 established by the sheriff or the county director of corrections.

19 (k) (1) Notwithstanding any other law, the sheriff or his or her  
20 designee or the county director of corrections or his or her designee  
21 shall provide the information specified in paragraph (2) regarding  
22 participants in an alternative custody program to the law  
23 enforcement agencies of the jurisdiction in which persons  
24 participating in an alternative custody program reside.

25 (2) The information required by paragraph (1) shall consist of  
26 the following:

27 (A) The participant's name, address, and date of birth.

28 (B) The offense committed by the participant.

29 (C) The period of time the participant will be subject to an  
30 alternative custody program.

31 (3) The information received by a law enforcement agency  
32 pursuant to this subdivision may be used for the purpose of  
33 monitoring the impact of an alternative custody program on the  
34 community.

35 (l) It is the intent of the Legislature that the alternative custody  
36 programs established under this section maintain the highest public  
37 confidence, credibility, and public safety. In the furtherance of  
38 these standards, the sheriff or the county director of corrections  
39 may administer an alternative custody program pursuant to written  
40 contracts with appropriate public agencies or entities to provide

1 specified program services. No public agency or entity entering  
2 into a contract may itself employ any person who is in an  
3 alternative custody program. The sheriff or the county director of  
4 corrections shall determine the recidivism rate of each participant  
5 in an alternative custody program.

6 (m) An inmate participating in this program shall voluntarily  
7 agree to all of the provisions of the program in writing, including  
8 that he or she may be returned to confinement at any time with or  
9 without cause, and shall not be charged fees or costs for the  
10 program.

11 (n) If a phrase, clause, sentence, or provision of this section or  
12 application thereof to a person or circumstance is held invalid, that  
13 invalidity shall not affect any other phrase, clause, sentence, or  
14 provision or application of this section, which can be given effect  
15 without the invalid phrase, clause, sentence, or provision or  
16 application and to this end the provisions of this section are  
17 declared to be severable.

18 SEC. 19. Section 1170.3 of the Penal Code, as amended by  
19 Section 9 of Chapter 508 of the Statutes of 2013, is amended to  
20 read:

 21 or a consortium or coalition of nongovernmental entities, that  
 22 provides community recidivism and crime reduction services, as  
 23 described in paragraph (2) of subdivision (c), to persons who have  
 24 been released from the state prison, a county jail, a juvenile  
 25 detention facility, who are under the supervision of a parole or  
 26 probation department, or any other person at risk of becoming  
 27 involved in criminal activities.

28 (c) (1) A community recidivism and crime reduction service  
 29 provider shall have a demonstrated history of providing services,  
 30 as described in paragraph (2), to the target population during the  
 31 five years immediately prior to the application for a grant awarded  
 32 pursuant to this section.

33 (2) A community recidivism and crime reduction service  
 34 provider shall provide services that are designed to enable persons  
 35 to whom the services are provided to refrain from engaging in  
 36 crime, reconnect with their family members, and contribute to their  
 37 communities. Community recidivism and crime reduction services  
 38 may include all of the following:

39 (A) Self-help groups.

40 (B) Individual or group assistance with basic life skills.

8 (H) Any other service that advances community recidivism and

25 (d) Pursuant to this section and upon agreement to accept  
26 funding from the Recidivism Reduction Fund, the board of  
27 supervisors, in collaboration with the county's Community  
28 Corrections Partnership, shall grant funds allocated to the county,  
29 as described in subdivision (a), to community recidivism and crime  
30 reduction service providers based on the needs of their community.

31 (e) (1) The amount awarded to each community recidivism and  
32 crime reduction service provider by a county shall be based on the  
33 population of the county, as projected by the Department of  
34 Finance, and shall not exceed the following:

35 (A) One hundred thousand dollars (\$100,000) in a county with  
36 a population of over 4,000,000 people.

37 (B) Fifty thousand dollars (\$50,000) in a county with a  
38 population of 700,000 or more people but less than 4,000,000

2 population of 400,000 or more people but less than 700,000 people.

3 (D) Ten thousand dollars (\$10,000) in a county with a population  
4 of less than 400,000 people.

5 (2) The total amount of grants awarded to a single community  
6 recidivism and crime reduction service provider by all counties  
7 pursuant to this section shall not exceed one hundred thousand  
8 dollars (\$100,000).

9 (f) The board of supervisors, in collaboration with the county's  
10 Community Corrections Partnership, shall establish minimum  
11 requirements, funding criteria, and procedures for the counties to  
12 award grants consistent with the criteria established in this section.

13 (g) A community recidivism and crime reduction service  
14 provider that receives a grant under this section shall report to the  
15 county board of supervisors or the Community Corrections  
16 Partnership on the number of individuals served and the types of  
17 services provided, consistent with paragraph (2) of subdivision  
18 (c). The board of supervisors or the Community Corrections  
19 Partnership shall report to the Board of State and Community  
20 Corrections any information received under this subdivision from  
21 grant recipients.

22 (h) Of the total amount granted to a county, up to 5 percent may  
23 be withheld by the board of supervisors or the Community  
24 Corrections Partnership for the payment of administrative costs.

25 (i) Any funds allocated to a county under this section shall be  
26 available for expenditure for a period of four years and any  
27 unexpended funds shall revert to the state General Fund at the end  
28 of the four-year period. Any funds not encumbered with a  
29 community recidivism and crime reduction service provider one  
30 year after allocation of grant funds to counties shall immediately  
31 revert to the state General Fund.

32 SEC. 22. Section 1233.15 of the Penal Code is amended to  
33 read:

34 1233.15. The Director of Finance, in consultation with the  
35 Administrative Office of the Courts, the Department of Corrections  
36 and Rehabilitation, and the Chief Probation Officers of California,  
37 shall develop a revised formula for the California Community  
38 Corrections Performance Incentives Act of 2009 that takes into  
39 consideration the significant changes to the eligibility of some  
40 felony probationers for revocation to the state prison resulting from

1 the implementation of the 2011 Public Safety realignment, and  
2 may also take into consideration the data calculated pursuant to  
3 subdivisions (f) to (i), inclusive, of Section 1233.1. The revised  
4 formula may include adjustments to the baseline failure rate for  
5 each county. It is the intent of the Legislature that, commencing  
6 with the 2015–16 fiscal year, probation departments receive  
7 performance incentive funding pursuant to, and consistent with,  
8 this chapter for their success at reducing postrelease community  
9 supervision failure to prison rates and mandatory supervision  
10 failure to prison rates.

11 SEC. 23. Section 1233.6 of the Penal Code is amended to read:

12 1233.6. (a) Probation failure reduction incentive payments  
13 and high performance grants calculated for any calendar year shall  
14 be provided to counties in the following fiscal year. The total  
15 annual payment to each county shall be divided into four equal  
16 quarterly payments.

17 (b) The Department of Finance shall include an estimate of the  
18 total probation failure reduction incentive payments and high  
19 performance grants to be provided to counties in the coming fiscal  
20 year as part of the Governor’s proposed budget released no later  
21 than January 10 of each year. This estimate shall be adjusted by  
22 the Department of Finance, as necessary, to reflect the actual  
23 calculations of probation failure reduction incentive payments and  
24 high performance grants completed by the Director of Finance, in  
25 consultation with the Department of Corrections and Rehabilitation,  
26 the Joint Legislative Budget Committee, the Chief Probation  
27 Officers of California, and the Administrative Office of the Courts.  
28 This adjustment shall occur as part of standard budget revision  
29 processes completed by the Department of Finance in April and  
30 May of each year.

31 (c) There is hereby established, in the State Treasury, the State  
32 Community Corrections Performance Incentives Fund, which is  
33 continuously appropriated. Moneys appropriated for purposes of  
34 providing probation failure reduction incentive payments and high  
35 performance grants authorized in Sections 1230 to 1233.6,  
36 inclusive, shall be transferred into this fund from the General Fund.  
37 Any moneys transferred into this fund from the General Fund shall  
38 be administered by the Administrative Office of the Courts and  
39 the share calculated for each county probation department shall

1 be transferred to its Community Corrections Performance  
2 Incentives Fund authorized in Section 1230.

3 (d) For each fiscal year, the Director of Finance shall determine  
4 the total amount of the State Community Corrections Performance  
5 Incentives Fund and the amount to be allocated to each county,  
6 pursuant to this section and Sections 1230 to 1233.5, inclusive,  
7 and shall report those amounts to the Controller. The Controller  
8 shall make an allocation from the State Community Corrections  
9 Performance Incentives Fund authorized in subdivision (c) to each  
10 county in accordance with the amounts provided.

11 (e) Notwithstanding Section 13340 of the Government Code,  
12 commencing July 1, 2014, and each fiscal year thereafter, the  
13 amount of one million dollars (\$1,000,000) is hereby continuously  
14 appropriated from the State Community Corrections Performance  
15 Incentives Fund to the Administrative Office of the Courts for the  
16 costs of implementing and administering this program, pursuant  
17 to subdivision (c), and the 2011 realignment legislation addressing  
18 public safety.

19 SEC. 24. Section 1233.61 of the Penal Code is amended to  
20 read:

21 1233.61. Notwithstanding any other law, any moneys remaining  
22 in the State Community Corrections Performance Incentives Fund,  
23 after the calculation and award determination of each county's tier  
24 payments or high performance grant payments pursuant to Sections  
25 1233.3 and 1233.4, shall be distributed to county probation  
26 departments as follows:

27 (a) The Department of Finance shall increase the award amount  
28 for any county whose tier payment or high performance grant  
29 payment, as calculated pursuant to Sections 1233.3 and 1233.4,  
30 totals less than two hundred thousand dollars (\$200,000) to no  
31 more than two hundred thousand dollars (\$200,000).

32 (b) The Department of Finance shall adjust the award amount  
33 for any county that has a probation failure rate, as defined in  
34 subdivision (c) of Section 1233.1, that is below the statewide  
35 average, as defined in subdivision (b) of Section 1233.1, so that  
36 these counties receive no less than two hundred thousand dollars  
37 (\$200,000).

38 (c) The Department of Finance shall evenly distribute any  
39 remaining funds, up to two hundred thousand dollars (\$200,000)  
40 per county, to those counties that did not receive a tier payment

1 or a high performance grant payment, as calculated pursuant to  
2 Sections 1233.3 and 1233.4.

3 (d) The distribution of any funds remaining after the distribution  
4 made pursuant to subdivision (c) shall be determined by the  
5 Department of Finance. The distribution may give preference to  
6 high performing counties that did not receive funding pursuant to  
7 Section 1233.4.

8 (e) At no time shall an award provided to a county through  
9 subdivision (c) exceed the amount of a grant award provided to  
10 counties that are eligible to receive increased award amounts  
11 pursuant to subdivision (a) or (b).

12 (f) Any county receiving funding through subdivision (c) shall  
13 submit a report to the Administrative Office of the Courts and the  
14 Chief Probation Officers of California describing how it plans on  
15 using the funds to enhance its ability to be successful under this  
16 act. Commencing January 1, 2014, a county that fails to submit  
17 this report by March 1 annually shall not receive funding pursuant  
18 to subdivision (c) in the subsequent fiscal year.

19 (g) A county that fails to provide the information specified in  
20 Section 1231 to the Administrative Office of the Courts shall not  
21 be eligible for payment pursuant to this section.

22 SEC. 25. Section 1370 of the Penal Code is amended to read:

23 1370. (a) (1) (A) If the defendant is found mentally  
24 competent, the criminal process shall resume, the trial on the  
25 offense charged shall proceed, and judgment may be pronounced.

26 (B) If the defendant is found mentally incompetent, the trial or  
27 judgment shall be suspended until the person becomes mentally  
28 competent.

29 (i) In the meantime, the court shall order that the mentally  
30 incompetent defendant be delivered by the sheriff to a state hospital  
31 for the care and treatment of the mentally disordered, as directed  
32 by the State Department of State Hospitals, or to any other available  
33 public or private treatment facility, including a local county jail  
34 treatment facility or the community-based residential treatment  
35 system established pursuant to Article 1 (commencing with Section  
36 5670) of Chapter 2.5 of Part 2 of Division 5 of the Welfare and  
37 Institutions Code if the facility has a secured perimeter or a locked  
38 and controlled treatment facility, approved by the community  
39 program director that will promote the defendant's speedy

1 restoration to mental competence, or placed on outpatient status  
2 as specified in Section 1600.

3 (ii) However, if the action against the defendant who has been  
4 found mentally incompetent is on a complaint charging a felony  
5 offense specified in Section 290, the prosecutor shall determine  
6 whether the defendant previously has been found mentally  
7 incompetent to stand trial pursuant to this chapter on a charge of  
8 a Section 290 offense, or whether the defendant is currently the  
9 subject of a pending Section 1368 proceeding arising out of a  
10 charge of a Section 290 offense. If either determination is made,  
11 the prosecutor shall so notify the court and defendant in writing.  
12 After this notification, and opportunity for hearing, the court shall  
13 order that the defendant be delivered by the sheriff to a state  
14 hospital, as directed by the State Department of State Hospitals,  
15 or other secure treatment facility for the care and treatment of the  
16 mentally disordered unless the court makes specific findings on  
17 the record that an alternative placement would provide more  
18 appropriate treatment for the defendant and would not pose a  
19 danger to the health and safety of others.

20 (iii) If the action against the defendant who has been found  
21 mentally incompetent is on a complaint charging a felony offense  
22 specified in Section 290 and the defendant has been denied bail  
23 pursuant to subdivision (b) of Section 12 of Article I of the  
24 California Constitution because the court has found, based upon  
25 clear and convincing evidence, a substantial likelihood that the  
26 person's release would result in great bodily harm to others, the  
27 court shall order that the defendant be delivered by the sheriff to  
28 a state hospital for the care and treatment of the mentally  
29 disordered, as directed by the State Department of State Hospitals,  
30 unless the court makes specific findings on the record that an  
31 alternative placement would provide more appropriate treatment  
32 for the defendant and would not pose a danger to the health and  
33 safety of others.

34 (iv) The clerk of the court shall notify the Department of Justice  
35 in writing of any finding of mental incompetence with respect to  
36 a defendant who is subject to clause (ii) or (iii) for inclusion in his  
37 or her state summary criminal history information.

38 (C) Upon the filing of a certificate of restoration to competence,  
39 the court shall order that the defendant be returned to court in

1 accordance with Section 1372. The court shall transmit a copy of  
2 its order to the community program director or a designee.

3 (D) A defendant charged with a violent felony may not be  
4 delivered to a state hospital or treatment facility pursuant to this  
5 subdivision unless the state hospital or treatment facility has a  
6 secured perimeter or a locked and controlled treatment facility,  
7 and the judge determines that the public safety will be protected.

8 (E) For purposes of this paragraph, “violent felony” means an  
9 offense specified in subdivision (c) of Section 667.5.

10 (F) A defendant charged with a violent felony may be placed  
11 on outpatient status, as specified in Section 1600, only if the court  
12 finds that the placement will not pose a danger to the health or  
13 safety of others. If the court places a defendant charged with a  
14 violent felony on outpatient status, as specified in Section 1600,  
15 the court must serve copies of the placement order on defense  
16 counsel, the sheriff in the county where the defendant will be  
17 placed and the district attorney for the county in which the violent  
18 felony charges are pending against the defendant.

19 (2) Prior to making the order directing that the defendant be  
20 committed to the State Department of State Hospitals or other  
21 treatment facility or placed on outpatient status, the court shall  
22 proceed as follows:

23 (A) The court shall order the community program director or a  
24 designee to evaluate the defendant and to submit to the court within  
25 15 judicial days of the order a written recommendation as to  
26 whether the defendant should be required to undergo outpatient  
27 treatment, or committed to the State Department of State Hospitals  
28 or to any other treatment facility. No person shall be admitted to  
29 a state hospital or other treatment facility or placed on outpatient  
30 status under this section without having been evaluated by the  
31 community program director or a designee. The community  
32 program director or designee shall evaluate the appropriate  
33 placement for the defendant between the State Department of State  
34 Hospitals, a local county jail treatment facility, or the  
35 community-based residential treatment system based upon  
36 guidelines provided by the State Department of State Hospitals.  
37 If a local county jail treatment facility is selected, the State  
38 Department of State Hospitals shall provide treatment at the county  
39 jail treatment facility and reimburse the county jail treatment  
40 facility for the reasonable costs of the bed during the treatment. If

1 the community-based residential treatment system is selected, the  
2 State Department of State Hospitals shall provide reimbursement  
3 to the community-based residential treatment system for the cost  
4 of treatment as negotiated with the State Department of State  
5 Hospitals. The six-month limitation in Section 1369.1 shall not  
6 apply to individuals deemed incompetent to stand trial who are  
7 being treated to restore competency within a county jail treatment  
8 facility pursuant to this section.

9 (B) The court shall hear and determine whether the defendant  
10 lacks capacity to make decisions regarding the administration of  
11 antipsychotic medication, and shall proceed as follows:

12 (i) The court shall hear and determine whether any of the  
13 following is true:

14 (I) The defendant lacks capacity to make decisions regarding  
15 antipsychotic medication, the defendant's mental disorder requires  
16 medical treatment with antipsychotic medication, and, if the  
17 defendant's mental disorder is not treated with antipsychotic  
18 medication, it is probable that serious harm to the physical or  
19 mental health of the patient will result. Probability of serious harm  
20 to the physical or mental health of the defendant requires evidence  
21 that the defendant is presently suffering adverse effects to his or  
22 her physical or mental health, or the defendant has previously  
23 suffered these effects as a result of a mental disorder and his or  
24 her condition is substantially deteriorating. The fact that a  
25 defendant has a diagnosis of a mental disorder does not alone  
26 establish probability of serious harm to the physical or mental  
27 health of the defendant.

28 (II) The defendant is a danger to others, in that the defendant  
29 has inflicted, attempted to inflict, or made a serious threat of  
30 inflicting substantial physical harm on another while in custody,  
31 or the defendant had inflicted, attempted to inflict, or made a  
32 serious threat of inflicting substantial physical harm on another  
33 that resulted in his or her being taken into custody, and the  
34 defendant presents, as a result of mental disorder or mental defect,  
35 a demonstrated danger of inflicting substantial physical harm on  
36 others. Demonstrated danger may be based on an assessment of  
37 the defendant's present mental condition, including a consideration  
38 of past behavior of the defendant within six years prior to the time  
39 the defendant last attempted to inflict, inflicted, or threatened to

1 inflict substantial physical harm on another, and other relevant  
2 evidence.

3 (III) The people have charged the defendant with a serious crime  
4 against the person or property, involuntary administration of  
5 antipsychotic medication is substantially likely to render the  
6 defendant competent to stand trial, the medication is unlikely to  
7 have side effects that interfere with the defendant's ability to  
8 understand the nature of the criminal proceedings or to assist  
9 counsel in the conduct of a defense in a reasonable manner, less  
10 intrusive treatments are unlikely to have substantially the same  
11 results, and antipsychotic medication is in the patient's best medical  
12 interest in light of his or her medical condition.

13 (ii) If the court finds any of the conditions described in clause  
14 (i) to be true, the court shall issue an order authorizing the treatment  
15 facility to involuntarily administer antipsychotic medication to the  
16 defendant when and as prescribed by the defendant's treating  
17 psychiatrist. The court shall not order involuntary administration  
18 of psychotropic medication under subclause (III) of clause (i)  
19 unless the court has first found that the defendant does not meet  
20 the criteria for involuntary administration of psychotropic  
21 medication under subclause (I) of clause (i) and does not meet the  
22 criteria under subclause (II) of clause (i).

23 (iii) In all cases, the treating hospital, facility, or program may  
24 administer medically appropriate antipsychotic medication  
25 prescribed by a psychiatrist in an emergency as described in  
26 subdivision (m) of Section 5008 of the Welfare and Institutions  
27 Code.

28 (iv) If the court has determined that the defendant has the  
29 capacity to make decisions regarding antipsychotic medication,  
30 and if the defendant, with advice of his or her counsel, consents,  
31 the court order of commitment shall include confirmation that  
32 antipsychotic medication may be given to the defendant as  
33 prescribed by a treating psychiatrist pursuant to the defendant's  
34 consent. The commitment order shall also indicate that, if the  
35 defendant withdraws consent for antipsychotic medication, after  
36 the treating psychiatrist complies with the provisions of  
37 subparagraph (C), the defendant shall be returned to court for a  
38 hearing in accordance with subparagraphs (C) and (D) regarding  
39 whether antipsychotic medication shall be administered  
40 involuntarily.

1 (v) If the court has determined that the defendant has the  
2 capacity to make decisions regarding antipsychotic medication  
3 and if the defendant, with advice from his or her counsel, does not  
4 consent, the court order for commitment shall indicate that, after  
5 the treating psychiatrist complies with the provisions of  
6 subparagraph (C), the defendant shall be returned to court for a  
7 hearing in accordance with subparagraphs (C) and (D) regarding  
8 whether antipsychotic medication shall be administered  
9 involuntarily.

10 (vi) Any report made pursuant to paragraph (1) of subdivision  
11 (b) shall include a description of any antipsychotic medication  
12 administered to the defendant and its effects and side effects,  
13 including effects on the defendant's appearance or behavior that  
14 would affect the defendant's ability to understand the nature of  
15 the criminal proceedings or to assist counsel in the conduct of a  
16 defense in a reasonable manner. During the time the defendant is  
17 confined in a state hospital or other treatment facility or placed on  
18 outpatient status, either the defendant or the people may request  
19 that the court review any order made pursuant to this subdivision.  
20 The defendant, to the same extent enjoyed by other patients in the  
21 state hospital or other treatment facility, shall have the right to  
22 contact the patients' rights advocate regarding his or her rights  
23 under this section.

24 (C) If the defendant consented to antipsychotic medication as  
25 described in clause (iv) of subparagraph (B), but subsequently  
26 withdraws his or her consent, or, if involuntary antipsychotic  
27 medication was not ordered pursuant to clause (v) of subparagraph  
28 (B), and the treating psychiatrist determines that antipsychotic  
29 medication has become medically necessary and appropriate, the  
30 treating psychiatrist shall make efforts to obtain informed consent  
31 from the defendant for antipsychotic medication. If informed  
32 consent is not obtained from the defendant, and the treating  
33 psychiatrist is of the opinion that the defendant lacks capacity to  
34 make decisions regarding antipsychotic medication based on the  
35 conditions described in subclause (I) or (II) of clause (i) of  
36 subparagraph (B), the treating psychiatrist shall certify whether  
37 the lack of capacity and any applicable conditions described above  
38 exist. That certification shall contain an assessment of the current  
39 mental status of the defendant and the opinion of the treating

1 psychiatrist that involuntary antipsychotic medication has become  
2 medically necessary and appropriate.

3 (D) (i) If the treating psychiatrist certifies that antipsychotic  
4 medication has become medically necessary and appropriate  
5 pursuant to subparagraph (C), antipsychotic medication may be  
6 administered to the defendant for not more than 21 days, provided,  
7 however, that, within 72 hours of the certification, the defendant  
8 is provided a medication review hearing before an administrative  
9 law judge to be conducted at the facility where the defendant is  
10 receiving treatment. The treating psychiatrist shall present the case  
11 for the certification for involuntary treatment and the defendant  
12 shall be represented by an attorney or a patients' rights advocate.  
13 The attorney or patients' rights advocate shall be appointed to meet  
14 with the defendant no later than one day prior to the medication  
15 review hearing to review the defendant's rights at the medication  
16 review hearing, discuss the process, answer questions or concerns  
17 regarding involuntary medication or the hearing, assist the  
18 defendant in preparing for the hearing and advocating for his or  
19 her interests at the hearing, review the panel's final determination  
20 following the hearing, advise the defendant of his or her right to  
21 judicial review of the panel's decision, and provide the defendant  
22 with referral information for legal advice on the subject. The  
23 defendant shall also have the following rights with respect to the  
24 medication review hearing:

25 (I) To being given timely access to the defendant's records.

26 (II) To be present at the hearing, unless the defendant waives  
27 that right.

28 (III) To present evidence at the hearing.

29 (IV) To question persons presenting evidence supporting  
30 involuntary medication.

31 (V) To make reasonable requests for attendance of witnesses  
32 on the defendant's behalf.

33 (VI) To a hearing conducted in an impartial and informal  
34 manner.

35 (ii) If the administrative law judge determines that the defendant  
36 either meets the criteria specified in subclause (I) of clause (i) of  
37 subparagraph (B), or meets the criteria specified in subclause (II)  
38 of clause (i) of subparagraph (B), then antipsychotic medication  
39 may continue to be administered to the defendant for the 21-day  
40 certification period. Concurrently with the treating psychiatrist's

1 certification, the treating psychiatrist shall file a copy of the  
2 certification and a petition with the court for issuance of an order  
3 to administer antipsychotic medication beyond the 21-day  
4 certification period. For purposes of this subparagraph, the treating  
5 psychiatrist shall not be required to pay or deposit any fee for the  
6 filing of the petition or other document or paper related to the  
7 petition.

8 (iii) If the administrative law judge disagrees with the  
9 certification, medication may not be administered involuntarily  
10 until the court determines that antipsychotic medication should be  
11 administered pursuant to this section.

12 (iv) The court shall provide notice to the prosecuting attorney  
13 and to the attorney representing the defendant, and shall hold a  
14 hearing, no later than 18 days from the date of the certification, to  
15 determine whether antipsychotic medication should be ordered  
16 beyond the certification period.

17 (v) If, as a result of the hearing, the court determines that  
18 antipsychotic medication should be administered beyond the  
19 certification period, the court shall issue an order authorizing the  
20 administration of that medication.

21 (vi) The court shall render its decision on the petition and issue  
22 its order no later than three calendar days after the hearing and, in  
23 any event, no later than the expiration of the 21-day certification  
24 period.

25 (3) When the court orders that the defendant be committed to  
26 the State Department of State Hospitals or other public or private  
27 treatment facility, the court shall provide copies of the following  
28 documents prior to the admission of the defendant to the State  
29 Department of State Hospitals or other treatment facility where  
30 the defendant is to be committed:

31 (A) The commitment order, including a specification of the  
32 charges.

33 (B) A computation or statement setting forth the maximum term  
34 of commitment in accordance with subdivision (c).

35 (C) A computation or statement setting forth the amount of  
36 credit for time served, if any, to be deducted from the maximum  
37 term of commitment.

38 (D) State summary criminal history information.

39 (E) Any arrest reports prepared by the police department or  
40 other law enforcement agency.

1 (F) Any court-ordered psychiatric examination or evaluation  
2 reports.

3 (G) The community program director's placement  
4 recommendation report.

5 (H) Records of any finding of mental incompetence pursuant  
6 to this chapter arising out of a complaint charging a felony offense  
7 specified in Section 290 or any pending Section 1368 proceeding  
8 arising out of a charge of a Section 290 offense.

9 (I) Any medical records.

10 (4) When the defendant is committed to a treatment facility  
11 pursuant to clause (i) of subparagraph (B) of paragraph (1) or the  
12 court makes the findings specified in clause (ii) or (iii) of  
13 subparagraph (B) of paragraph (1) to assign the defendant to a  
14 treatment facility other than a state hospital or other secure  
15 treatment facility, the court shall order that notice be given to the  
16 appropriate law enforcement agency or agencies having local  
17 jurisdiction at the site of the placement facility of any finding of  
18 mental incompetence pursuant to this chapter arising out of a  
19 charge of a Section 290 offense.

20 (5) When directing that the defendant be confined in a state  
21 hospital pursuant to this subdivision, the court shall commit the  
22 patient to the State Department of State Hospitals.

23 (6) (A) If the defendant is committed or transferred to the State  
24 Department of State Hospitals pursuant to this section, the court  
25 may, upon receiving the written recommendation of the medical  
26 director of the state hospital and the community program director  
27 that the defendant be transferred to a public or private treatment  
28 facility approved by the community program director, order the  
29 defendant transferred to that facility. If the defendant is committed  
30 or transferred to a public or private treatment facility approved by  
31 the community program director, the court may, upon receiving  
32 the written recommendation of the community program director,  
33 transfer the defendant to the State Department of State Hospitals  
34 or to another public or private treatment facility approved by the  
35 community program director. In the event of dismissal of the  
36 criminal charges before the defendant recovers competence, the  
37 person shall be subject to the applicable provisions of the  
38 Lanterman-Petris-Short Act (Part 1 (commencing with Section  
39 5000) of Division 5 of the Welfare and Institutions Code). If either  
40 the defendant or the prosecutor chooses to contest either kind of

1 order of transfer, a petition may be filed in the court for a hearing,  
2 which shall be held if the court determines that sufficient grounds  
3 exist. At the hearing, the prosecuting attorney or the defendant  
4 may present evidence bearing on the order of transfer. The court  
5 shall use the same standards as are used in conducting probation  
6 revocation hearings pursuant to Section 1203.2.

7 Prior to making an order for transfer under this section, the court  
8 shall notify the defendant, the attorney of record for the defendant,  
9 the prosecuting attorney, and the community program director or  
10 a designee.

11 (B) If the defendant is initially committed to the State  
12 Department of State Hospitals or secure treatment facility pursuant  
13 to clause (ii) or (iii) of subparagraph (B) of paragraph (1) and is  
14 subsequently transferred to any other facility, copies of the  
15 documents specified in paragraph (3) shall be taken with the  
16 defendant to each subsequent facility to which the defendant is  
17 transferred. The transferring facility shall also notify the appropriate  
18 law enforcement agency or agencies having local jurisdiction at  
19 the site of the new facility that the defendant is a person subject  
20 to clause (ii) or (iii) of subparagraph (B) of paragraph (1).

21 (7) An order by the court authorizing involuntary medication  
22 of the defendant shall be valid for no more than one year. The  
23 court shall review the order six months after the order was made  
24 to determine if the grounds for the authorization remain. In the  
25 review, the court shall consider the reports of the treating  
26 psychiatrist or psychiatrists and the defendant's patients' rights  
27 advocate or attorney. The court may require testimony from the  
28 treating psychiatrist or psychiatrists and the patients' rights  
29 advocate or attorney, if necessary. The court may continue the  
30 order authorizing involuntary medication for up to another six  
31 months, or vacate the order, or make any other appropriate order.

32 (b) (1) Within 90 days of a commitment made pursuant to  
33 subdivision (a), the medical director of the state hospital or other  
34 treatment facility to which the defendant is confined shall make a  
35 written report to the court and the community program director  
36 for the county or region of commitment, or a designee, concerning  
37 the defendant's progress toward recovery of mental competence.  
38 If the defendant is on outpatient status, the outpatient treatment  
39 staff shall make a written report to the community program director  
40 concerning the defendant's progress toward recovery of mental

1 competence. Within 90 days of placement on outpatient status, the  
2 community program director shall report to the court on this matter.  
3 If the defendant has not recovered mental competence, but the  
4 report discloses a substantial likelihood that the defendant will  
5 regain mental competence in the foreseeable future, the defendant  
6 shall remain in the state hospital or other treatment facility or on  
7 outpatient status. Thereafter, at six-month intervals or until the  
8 defendant becomes mentally competent, if the defendant is  
9 confined in a treatment facility, the medical director of the hospital  
10 or person in charge of the facility shall report in writing to the  
11 court and the community program director or a designee regarding  
12 the defendant's progress toward recovery of mental competence.  
13 If the defendant is on outpatient status, after the initial 90-day  
14 report, the outpatient treatment staff shall report to the community  
15 program director on the defendant's progress toward recovery,  
16 and the community program director shall report to the court on  
17 this matter at six-month intervals. A copy of these reports shall be  
18 provided to the prosecutor and defense counsel by the court. If the  
19 report indicates that there is no substantial likelihood that the  
20 defendant will regain mental competence in the foreseeable future,  
21 the committing court shall order the defendant to be returned to  
22 the court for proceedings pursuant to paragraph (2) of subdivision  
23 (c). The court shall transmit a copy of its order to the community  
24 program director or a designee.

25 (2) If the court has issued an order authorizing the treating  
26 facility to involuntarily administer antipsychotic medication to the  
27 defendant, the reports made at six-month intervals concerning the  
28 defendant's progress toward regaining competency shall also  
29 consider the issue of involuntary medication. Each report shall  
30 include, but is not limited to, all the following:

31 (A) Whether or not the defendant has the capacity to make  
32 decisions concerning antipsychotic medication.

33 (B) If the defendant lacks capacity to make decisions concerning  
34 antipsychotic medication, whether the defendant risks serious harm  
35 to his or her physical or mental health if not treated with  
36 antipsychotic medication.

37 (C) Whether or not the defendant presents a danger to others if  
38 he or she is not treated with antipsychotic medication.

39 (D) Whether the defendant has a mental illness for which  
40 medications are the only effective treatment.

1 (E) Whether there are any side effects from the medication  
2 currently being experienced by the defendant that would interfere  
3 with the defendant's ability to collaborate with counsel.

4 (F) Whether there are any effective alternatives to medication.

5 (G) How quickly the medication is likely to bring the defendant  
6 to competency.

7 (H) Whether the treatment plan includes methods other than  
8 medication to restore the defendant to competency.

9 (I) A statement, if applicable, that no medication is likely to  
10 restore the defendant to competency.

11 (3) After reviewing the reports, the court shall determine whether  
12 or not grounds for the order authorizing involuntary administration  
13 of antipsychotic medication still exist and shall do one of the  
14 following:

15 (A) If the original grounds for involuntary medication still exist,  
16 the order authorizing the treating facility to involuntarily administer  
17 antipsychotic medication to the defendant shall remain in effect.

18 (B) If the original grounds for involuntary medication no longer  
19 exist, and there is no other basis for involuntary administration of  
20 antipsychotic medication, the order for the involuntary  
21 administration of antipsychotic medication shall be vacated.

22 (C) If the original grounds for involuntary medication no longer  
23 exist, and the report states that there is another basis for involuntary  
24 administration of antipsychotic medication, the court shall set a  
25 hearing within 21 days to determine whether the order for the  
26 involuntary administration of antipsychotic medication shall be  
27 vacated or whether a new order for the involuntary administration  
28 of antipsychotic medication shall be issued. The hearing shall  
29 proceed as set forth in subparagraph (B) of paragraph (2) of  
30 subdivision (a).

31 (4) Any defendant who has been committed or has been on  
32 outpatient status for 18 months and is still hospitalized or on  
33 outpatient status shall be returned to the committing court where  
34 a hearing shall be held pursuant to the procedures set forth in  
35 Section 1369. The court shall transmit a copy of its order to the  
36 community program director or a designee.

37 (5) If it is determined by the court that no treatment for the  
38 defendant's mental impairment is being conducted, the defendant  
39 shall be returned to the committing court. The court shall transmit

1 a copy of its order to the community program director or a  
2 designee.

3 (6) At each review by the court specified in this subdivision,  
4 the court shall determine if the security level of housing and  
5 treatment is appropriate and may make an order in accordance  
6 with its determination. If the court determines that the defendant  
7 shall continue to be treated in the state hospital or on an outpatient  
8 basis, the court shall determine issues concerning administration  
9 of antipsychotic medication, as set forth in subparagraph (B) of  
10 paragraph (2) of subdivision (a).

11 (c) (1) At the end of three years from the date of commitment  
12 or a period of commitment equal to the maximum term of  
13 imprisonment provided by law for the most serious offense charged  
14 in the information, indictment, or misdemeanor complaint,  
15 whichever is shorter, a defendant who has not recovered mental  
16 competence shall be returned to the committing court. The court  
17 shall notify the community program director or a designee of the  
18 return and of any resulting court orders.

19 (2) Whenever any defendant is returned to the court pursuant  
20 to paragraph (1) or (4) of subdivision (b) or paragraph (1) of this  
21 subdivision and it appears to the court that the defendant is gravely  
22 disabled, as defined in subparagraph (B) of paragraph (1) of  
23 subdivision (h) of Section 5008 of the Welfare and Institutions  
24 Code, the court shall order the conservatorship investigator of the  
25 county of commitment of the defendant to initiate conservatorship  
26 proceedings for the defendant pursuant to Chapter 3 (commencing  
27 with Section 5350) of Part 1 of Division 5 of the Welfare and  
28 Institutions Code. Any hearings required in the conservatorship  
29 proceedings shall be held in the superior court in the county that  
30 ordered the commitment. The court shall transmit a copy of the  
31 order directing initiation of conservatorship proceedings to the  
32 community program director or a designee, the sheriff and the  
33 district attorney of the county in which criminal charges are  
34 pending, and the defendant's counsel of record. The court shall  
35 notify the community program director or a designee, the sheriff  
36 and district attorney of the county in which criminal charges are  
37 pending, and the defendant's counsel of record of the outcome of  
38 the conservatorship proceedings.

39 (3) If a change in placement is proposed for a defendant who  
40 is committed pursuant to subparagraph (B) of paragraph (1) of

1 subdivision (h) of Section 5008 of the Welfare and Institutions  
2 Code, the court shall provide notice and an opportunity to be heard  
3 with respect to the proposed placement of the defendant to the  
4 sheriff and the district attorney of the county in which criminal  
5 charges are pending.

6 (4) If the defendant is confined in a treatment facility, a copy  
7 of any report to the committing court regarding the defendant's  
8 progress toward recovery of mental competence shall be provided  
9 by the committing court to the prosecutor and to the defense  
10 counsel.

11 (d) The criminal action remains subject to dismissal pursuant  
12 to Section 1385. If the criminal action is dismissed, the court shall  
13 transmit a copy of the order of dismissal to the community program  
14 director or a designee.

15 (e) If the criminal charge against the defendant is dismissed,  
16 the defendant shall be released from any commitment ordered  
17 under this section, but without prejudice to the initiation of any  
18 proceedings that may be appropriate under the  
19 Lanterman-Petris-Short Act, Part 1 (commencing with Section  
20 5000) of Division 5 of the Welfare and Institutions Code.

21 (f) As used in this chapter, "community program director" means  
22 the person, agency, or entity designated by the State Department  
23 of State Hospitals pursuant to Section 1605 of this code and Section  
24 4360 of the Welfare and Institutions Code.

25 (g) For the purpose of this section, "secure treatment facility"  
26 shall not include, except for state mental hospitals, state  
27 developmental centers, and correctional treatment facilities, any  
28 facility licensed pursuant to Chapter 2 (commencing with Section  
29 1250) of, Chapter 3 (commencing with Section 1500) of, or Chapter  
30 3.2 (commencing with Section 1569) of, Division 2 of the Health  
31 and Safety Code, or any community board and care facility.

32 (h) Nothing in this section shall preclude a defendant from filing  
33 a petition for habeas corpus to challenge the continuing validity  
34 of an order authorizing a treatment facility or outpatient program  
35 to involuntarily administer antipsychotic medication to a person  
36 being treated as incompetent to stand trial.

37 SEC. 26. Section 2694 of the Penal Code is amended to read:

38 2694. (a) The Department of Corrections and Rehabilitation  
39 shall expand substance abuse treatment services in prisons to  
40 accommodate at least 4,000 additional inmates who have histories

1 of substance abuse. In determining the prisons in which these  
2 additional treatment services will be located, the department may  
3 consider efficiency and efficacy of treatment, availability of staff  
4 resources, availability of physical space, and availability of  
5 additional resources in surrounding communities to supplement  
6 the treatment. In addition, the department shall expand followup  
7 treatment services in the community in order to ensure that  
8 offenders who participate in substance abuse treatment while  
9 incarcerated in prison shall receive necessary followup treatment  
10 while on parole.

11 (b) (1) Notwithstanding any other law, unless there is a security  
12 or safety reason not to do so, a substance abuse treatment program  
13 funded by the Department of Corrections and Rehabilitation and  
14 offered in a facility under the jurisdiction of the department  
15 pursuant to this section shall include a peer counseling component  
16 allowing prisoners to receive the necessary training within those  
17 facilities to become certified addiction counselors, including  
18 necessary course work and clinical hours.

19 (2) If the department determines that a peer counseling  
20 component shall not be included as part of a substance abuse  
21 treatment program offered in a facility under the department's  
22 jurisdiction, the department shall notify in writing on January 10,  
23 2015, and January 10, 2016, the Assembly and Senate Committees  
24 on Budget and the relevant Assembly and Senate policy committees  
25 at the time the determination is made. The report shall include the  
26 reason for the determination and a description of the substance  
27 abuse treatment program being provided.

28 (3) For purposes of this section, "peer counseling" means  
29 counseling offered by a person sharing similar life experiences  
30 who provides advice and assistance to another individual with the  
31 intended outcome of overcoming addiction-related challenges.

32 SEC. 27. Article 2.4 (commencing with Section 3016) is added  
33 to Chapter 8 of Title 1 of Part 3 of the Penal Code, to read:

34  
35 Article 2.4. Case Management Reentry Pilot Program  
36

37 3016. (a) The Secretary of the Department of Corrections and  
38 Rehabilitation shall establish the Case Management Reentry Pilot  
39 Program for offenders under the jurisdiction of the department  
40 who have been sentenced to a term of imprisonment under Section

1 1170 and are likely to benefit from a case management reentry  
2 strategy designed to address homelessness, joblessness, mental  
3 disorders, and developmental disabilities among offenders  
4 transitioning from prison into the community. The purpose of the  
5 pilot program is to implement promising and evidence-based  
6 practices and strategies that promote improved public safety  
7 outcomes for offenders reentering society after serving a term in  
8 state prison and while released to parole.

9 (b) The program shall be initiated in at least three counties over  
10 three years, supported by department employees focusing primarily  
11 on case management services for eligible parolees selected for the  
12 pilot program. Department employees shall be experienced or  
13 trained to work as social workers with a parole population.  
14 Selection of a parolee for participation in the pilot program does  
15 not guarantee the availability of services.

16 (c) Case management social workers shall assist offenders on  
17 parole who are assigned to the program in managing basic needs,  
18 including housing, job training and placement, medical and mental  
19 health care, and any additional programming or responsibilities  
20 attendant to the terms of the offender's reentry requirements. Case  
21 management social workers also shall work closely with offenders  
22 to prepare, monitor, revise, and fulfill individualized offender  
23 reentry plans consistent with this section during the term of the  
24 program.

25 (d) Individualized offender reentry plans shall focus on  
26 connecting offenders to services for which the offender is eligible  
27 under existing federal, state, and local rules.

28 (e) Case management services shall be prioritized for offenders  
29 identified as potentially benefiting from assistance with the  
30 following:

31 (1) Food, including the immediate need and long-term planning  
32 for obtaining food.

33 (2) Clothing, including the immediate need to obtain appropriate  
34 clothing.

35 (3) Shelter, including obtaining housing consistent with the  
36 goals of the most independent, least restrictive and potentially  
37 durable housing in the local community and that are feasible for  
38 the circumstances of each reentering offender.

39 (4) Benefits, including, but not limited to, the California Work  
40 Opportunity and Responsibility to Kids program, general

1 assistance, benefits administered by the federal Social Security  
2 Administration, Medi-Cal, and veterans benefits.

32 staff or administration of the programming.

33     (2) The warden of each institution, in collaboration with at least

20 SEC. 30. Section 6032 is added to the Penal Code, to read:

21 6032. (a) There is hereby established within the Board of State  
22 and Community Corrections the California Juvenile Justice Data  
23 Working Group. The purpose of the working group is to  
24 recommend options for coordinating and modernizing the juvenile  
25 justice data systems and reports that are developed and maintained  
26 by state and county agencies.

27 (b) (1) The working group shall include representatives from  
28 each of the following:

29 (A) The Department of Justice.

30 (B) The Board of State and Community Corrections.

31 (C) The Division of Juvenile Justice within the Department of  
32 Corrections and Rehabilitation.

33 (D) The Chief Probation Officers of California.

34 (E) The Judicial Council.

35 (F) The California State Association of Counties.

36 (G) Any other representatives that are deemed appropriate by  
37 the board.

38 (2) Members of the working group shall include persons that  
39 have experience or expertise related to the California juvenile

1 justice system or the design and implementation of juvenile justice  
2 data systems, or both.

3 (c) (1) The working group shall analyze the capacities and  
4 limitations of the data systems and networks used to collect and  
5 report state and local juvenile caseload and outcome data. The  
6 analysis shall include all of the following:

7 (A) A review of the relevant data systems, studies, or models  
8 from California and other states having elements worthy of  
9 replication in California.

10 (B) Identify changes or upgrades to improve the capacity and  
11 utility of juvenile justice caseload and outcome data in California,  
12 including changes to support the gathering of juvenile justice  
13 outcome and recidivism information, and changes to improve  
14 performance outcome measurements for state-local juvenile justice  
15 grant programs.

16 (2) No later than January 1, 2016, the working group shall  
17 prepare and submit a report to the Legislature on the options for  
18 improving interagency coordination, modernization, and upgrading  
19 of state and local juvenile justice data and information systems.  
20 The report shall include, but not be limited to, all of the following:

21 (A) The additional collection and reporting responsibilities for  
22 agencies, departments, or providers that would be affected.

23 (B) Recommendations for the creation of a Web-based statewide  
24 clearinghouse or information center that would make relevant  
25 juvenile justice information on operations, caseloads, dispositions,  
26 and outcomes available in a user-friendly, query-based format for  
27 stakeholders and members of the public.

28 (C) An assessment of the feasibility of implementing the  
29 responsibilities identified in subparagraph (A) and the  
30 recommendations developed pursuant to subparagraph (B).

31 (3) The working group shall also recommend a plan for  
32 improving the current juvenile justice reporting requirements of  
33 Section 1961 of the Welfare and Institutions Code and Section  
34 30061 of the Government Code, including streamlining and  
35 consolidating current requirements without sacrificing meaningful  
36 data collection. The working group shall submit its  
37 recommendations to the Board of State and Community Corrections  
38 no later than December 31, 2014.

1 (d) (1) The requirement for submitting a report imposed under  
2 subdivision (c) is inoperative on January 1, 2016, pursuant to  
3 Section 10231.5 of the Government Code.

4 (2) A report submitted to the Legislature pursuant to subdivision  
5 (c) shall be submitted in compliance with Section 9795 of the  
6 Government Code.

7 SEC. 31. The Legislature hereby finds and declares all of the  
8 following with respect to ~~Section 29~~ *Section 32* of this act:

9 (a) A share of the restored mentally ill offender crime reduction  
10 grants, with the enactment of this act, will be dedicated to  
11 improving mental health outcomes for children in the juvenile  
12 justice system.

13 (b) While California's youth crime rates are down overall in  
14 California, our courts and juvenile justice facilities are brimming  
15 with children and youth with a broad range of mental health  
16 disorders and unmet treatment needs.

17 (c) In a 2005 "gap survey" of California probation chiefs, paving  
18 the way for the subsequent realignment of the Department of  
19 Corrections and Rehabilitation, Division of Juvenile Justice  
20 population to local control, the chiefs identified juvenile mental  
21 health cases as the most significant problem and service gap they  
22 faced. In a later study, Chief Probation Officers of California  
23 documented long stays and high costs related to the detention of  
24 juveniles with mental health problems. State and national studies  
25 confirm, again and again, extremely high rates of mental health  
26 disorders among incarcerated youth, with prevalence exceeding  
27 70 percent of juveniles in custody. Data from the Board of State  
28 and Community Corrections in 2013 documents the fact that nearly  
29 one-half of the daily 8,200 juveniles in custody or on electronic  
30 monitoring in California have "open mental health cases."

31 (d) When the mental health needs of young offenders are  
32 ignored, these youth enter a high-risk zone of becoming chronic  
33 adult offenders, committing further crimes, and filling up our  
34 already crowded prisons and jails. This comes at a cost in public  
35 safety, a cost to the probation, court, and corrections agencies who  
36 must then deal expensively with the problem on a long-term basis  
37 at the deep end of our jail and prison systems, and a cost to the  
38 taxpayers.

39 (e) We know that early intervention in these youth mental health  
40 cases is a key to success. The mentally ill offender crime reduction

1 grant program investment on the juvenile justice side is an  
2 investment in crime prevention. The juvenile justice share of the  
3 mentally ill offender crime reduction grants will support local  
4 investment in proven best practices, including early diagnoses,  
5 family and community-based treatment models, specialized mental  
6 health courts, and other collaborative models of intervention that  
7 have proven to be successful. The goal, overall, is to break the link  
8 between mental illness and crime as soon as possible using  
9 state-of-the-art assessment and intervention strategies. Early  
10 recognition and treatment in these cases is also critical to our goal  
11 of preventing the escalation of youth mental health disorders into  
12 tragedies like the University of California, Santa Barbara, shooting  
13 that occurred in 2014.

14 (f) Modern science tells us that children are developmentally  
15 different from adults. This finding has been embedded in decisions  
16 of the United States Supreme Court in recent years, placing limits  
17 on the death penalty and other punishments imposed on children.

18 (g) The good news is that science and evidence-based studies  
19 point the way to interventions that can stop the cycle of mental  
20 illness and crime early in these young lives. The new mentally ill  
21 offender crime reduction grants will prioritize funding for local  
22 assessments and interventions that promise to produce better youth  
23 outcomes, to lower youth recidivism rates, and to reduce system  
24 workloads and costs that result from failing to address the problem.

25 (h) Research indicates that a continuum of responses for  
26 mentally ill offenders that includes prevention, intervention, and  
27 incarceration can reduce crime, jail overcrowding, and criminal  
28 justice costs.

29 (i) Therefore, it is the intent of the Legislature that grants be  
30 provided to counties that develop and implement a comprehensive,  
31 cost-effective plan to reduce the rate of crime and offenses  
32 committed by persons with serious mental illness and to reduce  
33 jail overcrowding and local criminal justice costs related to  
34 mentally ill offenders.

35 SEC. 32. Article 4 (commencing with Section 6045) is added  
36 to Chapter 5 of Title 7 of Part 3 of the Penal Code, to read:

Article 4. Mentally Ill Offender Crime Reduction Grants

6045. (a) The Board of State and Community Corrections shall administer mentally ill offender crime reduction grants on a competitive basis to counties that expand or establish a continuum of timely and effective responses to reduce crime and criminal justice costs related to mentally ill offenders. The grants administered under this article by the board shall be divided between adult and juvenile mentally ill offender crime reduction grants in accordance with the funds appropriated for each type of grant. The grants shall support prevention, intervention, supervision, and incarceration-based services and strategies to reduce recidivism and to improve outcomes for mentally ill juvenile and adult offenders.

(b) For purposes of this article, the following terms shall have the following meanings:

(1) “Board” means the Board of State and Community Corrections.

(2) “Mentally ill adult offenders” means persons described in subdivisions (b) and (c) of Section 5600.3 of the Welfare and Institutions Code.

(3) “Mentally ill juvenile offenders” means persons described in subdivision (a) of Section 5600.3 of the Welfare and Institutions Code.

6045.2. (a) A county shall be eligible to apply for either an adult mentally ill offender grant or a juvenile mentally ill offender grant or both in accordance with all other provisions of this article. The board shall provide a separate and competitive grant application and award process for each of the adult and juvenile mentally ill offender crime reduction grant categories. The board shall endeavor to assist counties that apply for grants in both categories in meeting any grant submission requirements that may overlap between the two categories of grants.

(b) (1) A county that applies for an adult mentally ill offender grant shall establish a strategy committee to design the grant application that includes, at a minimum, the sheriff or director of the county department of corrections in a county where the sheriff does not administer the county jail system, who shall chair the committee, and representatives from other local law enforcement agencies, the chief probation officer, the county mental health

1 director, a superior court judge, a former offender who is or has  
2 been a client of a mental health treatment facility, and  
3 representatives from organizations that can provide or have  
4 provided treatment or stabilization services for mentally ill  
5 offenders, including treatment, housing, income or job support,  
6 and caretaking.

7 (2) A county that applies for a juvenile mentally ill offender  
8 grant shall establish a strategy committee that includes, at a  
9 minimum, the chief probation officer who shall chair the  
10 committee, representatives from local law enforcement agencies,  
11 the county mental health director, a superior court judge, a client  
12 or former offender who has received juvenile mental health  
13 services, and representatives from organizations that can provide  
14 or have provided treatment or support services for mentally ill  
15 juvenile offenders, including therapy, education, employment,  
16 housing, and caretaking services.

17 (3) A county that applies for both types of grants may convene  
18 a combined strategy committee that includes the sheriff or jail  
19 administrator and the chief probation officer as cochairs of the  
20 committee, as well as representation from the other agencies,  
21 departments, and disciplines designated in paragraphs (1) and (2)  
22 for both types of committees.

23 (c) The strategy committee shall develop and describe in its  
24 grant application a comprehensive county plan for providing a  
25 cost-effective continuum of responses and services for mentally  
26 ill adult offenders or mentally ill juvenile offenders, including  
27 prevention, intervention, and incarceration-based services, as  
28 appropriate. The plan shall describe how the responses and services  
29 included in the plan have been proven to be or are designed to be  
30 effective in addressing the mental health needs of the target  
31 offender population, while also reducing recidivism and custody  
32 levels for mentally ill offenders in adult or juvenile detention or  
33 correctional facilities. Strategies for prevention, intervention, and  
34 incarceration-based services in the plan shall include, but not be  
35 limited to, all of the following:

36 (1) Mental health and substance abuse treatment for mentally  
37 ill adult offenders or mentally ill juvenile offenders who are  
38 presently placed, incarcerated, or housed in a local adult or juvenile  
39 detention or correctional facility or who are under supervision by

1 the probation department after having been released from a state  
2 or local adult or juvenile detention or correctional facility.

3 (2) Prerelease, reentry, continuing, and community-based  
4 services designed to provide long-term stability for juvenile or  
5 adult offenders outside of the facilities of the adult or juvenile  
6 justice systems, including services to support a stable source of  
7 income, a safe and decent residence, and a conservator or caretaker,  
8 as needed in appropriate cases.

9 (3) For mentally ill juvenile offender applications, one or more  
10 of the following strategies that has proven to be effective or has  
11 evidence-based support for effectiveness in the remediation of  
12 mental health disorders and the reduction of offending: short-term  
13 and family-based therapies, collaborative interagency service  
14 agreements, specialized court-based assessment and disposition  
15 tracks or programs, or other specialized mental health treatment  
16 and intervention models for juvenile offenders that are proven or  
17 promising from an evidence-based perspective.

18 (d) The plan as included in the grant application shall include  
19 the identification of specific outcome and performance measures  
20 and for annual reporting on grant performance and outcomes to  
21 the board that will allow the board to evaluate, at a minimum, the  
22 effectiveness of the strategies supported by the grant in reducing  
23 crime, incarceration, and criminal justice costs related to mentally  
24 ill offenders. The board shall, in the grant application process,  
25 provide guidance to counties on the performance measures and  
26 reporting criteria to be addressed in the application.

27 6045.4. (a) The application submitted by a county shall  
28 describe a four-year plan for the programs, services, or strategies  
29 to be provided under the grant. The board shall award grants that  
30 provide funding for four years with the proviso that funding beyond  
31 the first year of the plan is contingent upon annual appropriations  
32 and the availability of funds to support mentally ill offender crime  
33 reduction grants beyond the first funding year. Funding shall be  
34 used to supplement, rather than supplant, funding for existing  
35 programs. Funds may be used to fund specialized alternative  
36 custody programs that offer appropriate mental health treatment  
37 and services.

38 (b) A grant shall not be awarded unless the applicant makes  
39 available resources in accordance with the instructions of the board  
40 in an amount equal to at least 25 percent of the amount of the grant.

1 Resources may include in-kind contributions from participating  
2 agencies.

3 (c) In awarding grants, priority or preference shall be given to  
4 those grant applications that include documented match funding  
5 that exceeds 25 percent of the total grant amount.

6 6045.6. The board shall establish minimum requirements,  
7 funding criteria, and procedures for awarding grants, which shall  
8 take into consideration, but not be limited to, all of the following:

9 (a) The probable or potential impact of the grant on reducing  
10 the number or percent of mentally ill adult offenders or mentally  
11 ill juvenile offenders who are incarcerated or detained in local  
12 adult or juvenile correctional facilities and, as relevant for juvenile  
13 offenders, in probation out-of-home placements.

14 (b) Demonstrated ability to administer the program, including  
15 any past experience in the administration of a prior mentally ill  
16 offender crime reduction grant.

17 (c) Demonstrated ability to develop effective responses and to  
18 provide effective treatment and stability for mentally ill adult  
19 offenders or mentally ill juvenile offenders.

20 (d) Demonstrated ability to provide for interagency collaboration  
21 to ensure the effective coordination and delivery of the strategies,  
22 programs, or services described in the application.

23 (e) Likelihood that the program will continue to operate after  
24 state grant funding ends, including the applicant's demonstrated  
25 history of maximizing federal, state, local, and private funding  
26 sources to address the needs of the grant service population.

27 6045.8. (a) The board shall create an evaluation design for  
28 adult and juvenile mentally ill offender crime reduction grants that  
29 assesses the effectiveness of the program in reducing crime, adult  
30 and juvenile offender incarceration and placement levels, early  
31 releases due to jail overcrowding, and local criminal and juvenile  
32 justice costs. The evaluation design may include outcome measures  
33 related to the service levels, treatment modes, and stability  
34 measures for juvenile and adult offenders participating in, or  
35 benefitting from, mentally ill offender crime reduction grant  
36 programs or services.

37 (b) Commencing on October 1, 2015, and annually thereafter,  
38 the board shall submit a report to the Legislature based on the  
39 evaluation design, with a final report due on December 31, 2019.

1 (c) The reports submitted pursuant to this section shall be  
2 submitted in compliance with Section 9795 of the Government  
3 Code.

4 (d) Pursuant to Section 10231.5 of the Government Code, this  
5 section shall be repealed as of January 1, 2024.

6 6045.9. The board may use up to 5 percent of the funds  
7 appropriated for purposes of this article to administer this program,  
8 including technical assistance to counties and the development of  
9 the evaluation component.

10 SEC. 33. Section 6141 of the Penal Code is amended to read:

11 6141. The California Rehabilitation Oversight Board shall meet  
12 at least twice annually, and shall regularly examine the various  
13 mental health, substance abuse, educational, and employment  
14 programs for inmates and parolees operated by the Department of  
15 Corrections and Rehabilitation. The board shall report to the  
16 Governor and the Legislature annually, on September 15, and may  
17 submit other reports during the year if it finds they are necessary.  
18 The reports shall include, but are not limited to, findings on the  
19 effectiveness of treatment efforts, rehabilitation needs of offenders,  
20 gaps in rehabilitation services in the department, and levels of  
21 offender participation and success in the programs. The board shall  
22 also make recommendations to the Governor and Legislature with  
23 respect to modifications, additions, and eliminations of  
24 rehabilitation and treatment programs. In performing its duties,  
25 the board shall use the work products developed for the department  
26 as a result of the provisions of the 2006 Budget Act, including  
27 Provision 18 of Item 5225-001-0001.

28 SEC. 34. Section 6402 is added to the Penal Code, to read:

29 6402. The Department of Corrections and Rehabilitation  
30 (CDCR) shall develop policies related to the department's  
31 contraband interdiction efforts for individuals entering CDCR  
32 detention facilities. When developed, these policies shall include,  
33 but not be limited to, the following specifications:

34 (a) Application to all individuals, including visitors, all  
35 department staff, including executive staff, volunteers, and contract  
36 employees.

37 (b) Use of methods to ensure that profiling is not practiced  
38 during random searches or searches of all individuals entering the  
39 prison at that time.

1 (c) Establishment of unpredictable, random search efforts and  
2 methods that ensures that no one, except department employees  
3 specifically designated to conduct the random search, shall have  
4 advance notice of when a random search is scheduled.

5 (d) All visitors attempting to enter a CDCR detention facility  
6 shall be informed that they may refuse to be searched by a passive  
7 alert dog.

8 (e) All visitors attempting to enter a CDCR detention facility  
9 who refuse to be searched by a passive alert dog shall be informed  
10 of options, including, but not limited to, voluntarily aborting their  
11 attempt to enter the detention facility.

12 (f) All individuals attempting to enter a CDCR detention facility,  
13 who have a positive alert for contraband by an electronic drug  
14 detection device, a passive alert dog, or other technology, shall be

24 SEC. 35. Section 7050 of the Penal Code is amended to read:

25 7050. (a) (1) Section 28 of Chapter 7 of the Statutes of 2007  
26 contains an appropriation of three hundred million dollars  
27 (\$300,000,000) for capital outlay to be allocated to renovate,  
28 improve, or expand infrastructure capacity at existing prison  
29 facilities. The funds appropriated by that section may be used for  
30 land acquisition, environmental services, architectural  
31 programming, engineering assessments, schematic design,  
32 preliminary plans, working drawings, and construction.

33 (2) These funds may also be used to address deficiencies related  
34 to utility systems owned by local government entities and serving  
35 state prison facilities subject to the provisions of Section 54999  
36 of the Government Code. The department shall report on any funds  
37 to be expended for this purpose to the Joint Legislative Budget  
38 Committee. If the committee fails to take any action with respect  
39 to each notification within 20 days after submittal, this inaction  
40 shall be deemed to be approval for purposes of this section.

1 (3) These funds may also be used for the design and construction  
2 of improvements to dental facilities at state prison facilities.

3 (4) These funds may also be used for the design and construction  
4 of improvements to medication distribution facilities at state prison  
5 facilities.

6 (5) These funds may also be used for the design and construction  
7 of projects in the Health Care Facility Improvement Program at  
8 state prison facilities.

9 (6) This subdivision authorizes the scope and cost of a single  
10 capital outlay project for purposes of calculating augmentations  
11 pursuant to Section 13332.11 or 13332.19.

12 (b) The scope and costs of the projects described in subdivision  
13 (a) of this section shall be subject to approval and administrative  
14 oversight by the State Public Works Board, including  
15 augmentations, pursuant to Section 13332.11 or 13332.19 of the  
16 Government Code. The availability of an augmentation for each  
17 individual project allocation shall be based on the total applicable  
18 capital outlay appropriation contained in Section 28 of Chapter 7  
19 of the Statutes of 2007 and is not limited to 20 percent of the  
20 individual project allocation. These requirements shall be applied  
21 separately to each institution. All of the necessary infrastructure  
22 improvements at each institution may be treated as one project  
23 such that there would be one infrastructure improvement project  
24 at each institution. The scope and cost of each infrastructure  
25 improvement project shall be established by the board individually.  
26 The amount of the total appropriation in Section 28 of Chapter 7  
27 of the Statutes of 2007 that is necessary for each infrastructure  
28 improvement project shall be allocated by institution. The  
29 appropriation may be allocated based on current estimates. These  
30 initial allocations may be adjusted commensurate to changes that  
31 occur during the progression of the projects. As allocations are  
32 made or adjusted, the anticipated deficit or savings shall be  
33 continuously tracked and reported. Once the total appropriation  
34 has been allocated, any augmentation necessary to fund an  
35 anticipated deficit shall be based on the total appropriation and  
36 allocated to each project as necessary. Concurrent with the request  
37 to the board to establish each project authorized pursuant to this  
38 section, the Department of Corrections and Rehabilitation shall  
39 report the associated scope, cost, and schedule information to the  
40 Joint Legislative Budget Committee.

1 (c) The projects authorized pursuant to this section shall be part  
2 of the Department of Corrections and Rehabilitation's master plan,  
3 as defined in Section 7000.

4 (d) The reporting requirements set forth in Sections 7000 to  
5 7003.5, inclusive, shall apply separately to each project authorized  
6 pursuant to this section.
